Dear Prospective Sponsor,

The West Nashville Sports League is seeking your support in providing Basketball, Baseball, Flag Football, Soccer, Softball, Golf and Cheerleading to the youth of Middle Tennessee.

Since 1997, WNSL has been an athletic outlet to thousands of area boys and girls. As a youth sports league, we take great pride in the achievements of this program, which operates at the highest level and is a strong catalyst in keeping the youth of our community on the playing field. The WNSL mission is to teach children the fundamentals of basketball, baseball, flag football, golf, soccer, softball and the art of cheerleading while promoting discipline, dedication and team work in a fun, safe, and friendly environment.

One of the largest obstacles our organization faces is providing quality playing and learning experiences for many participants who are on a limited budget. The ability to meet the cost of operating and maintaining a quality program would not be possible without you, our community leaders.

Your donation will help fund first-rate manpower, provide quality equipment and playing fields, and enable us to keep our costs low so children of all social and economic backgrounds can participate.

Your contribution will make a difference and become a part of our community's effort to do something very positive for our youth and future leaders. The benefits are the young adults who will have been given the opportunity to learn lessons in self-worth, character, fair play, sportsmanship, discipline, team spirit, hard work and unity.

Respectfully,

President, West Nashville Sports League

WNSL Fall Baseball League Frequently Asked Questions

If you have a question, start here. If you still cannot find your answer, E-Mail scott@wnsl.net.

Sign-Ups, Cost and Division Questions

When can we register? Registration is now open and will close in Mid July. See www.wnsl.org for specific dates.

How do I register and pay online? Go to www.wnsl.org and click on one of the sports you would like to register for. Once on a sport-specific page, log into your WNSL account (see the Login button on the right side of the screen). Once logged into your account, click "Register Now" in the top left corner to select the sport you would like to register your child for. If you do not have a WNSL account, click the "Register" button on the right of the screen to register/create an account. You will then "Add Participants" to your account and select which sport(s) you would like to register them for.

What if I do not want to register online? You can download a paper registration form on the Fall Baseball page at www.wnsl.org. You may mail it in with a check but there will be a \$10 paper registration fee as indicated on the application.

What if I forget to register? The price will increase after the published registration deadline. Late registrations will be taken on a case by case basis and players will be added to existing teams or new teams created if the need arises.

Do you give refunds if my child decides not to participate? The WNSL Refund Policy is: *I understand and agree that no refunds will be provided for this season unless there is a medical reason. This includes free agent players that are assigned to a team that may not have a coach. In lieu of a refund the registration fee may be moved to another sport up to the time that uniforms are ordered. After uniforms are ordered the transfer of fees to another sport is not available and there are no refunds allowed. Please ensure you are ready to play the sport you are registering for in the WNSL and are committed to playing for we do not offer refunds for joining the incorrect league or for conflicting players' activities.*

What are the age divisions? We have 6 divisions that are based on the age of the player as of May 1, 2024:

- Wookies T-Ball – Ages 4 and 5
- Wookies Coach Pitch - 6 Year Olds
- Rookies Machine Pitch – Ages 7 and 8
- Minors Kid Pitch - Ages 9 and 10
- Majors Kid Pitch - Ages 11 and 12
- Prep Kid Pitch - Ages 13 - 18

Why do you use the age based on May 1st? We use this age because it determines what division the player will play in during the Spring season. We use the Fall Season to prepare players for spring and therefore want them to play in the correct division to learn the rules, skills, etc.

Are players allowed to play up or play down? Players are allowed to play up a division. However, players must have approval from Scott Tygard (scott@wnsl.net) in order to play down. **Remember, participants should be registered based on the age of the player as of May 1, 2024.**

If my player is not on a preformed team how and when do I know which team he/she is on? Individuals not on a team (Free Agents) will be contacted by their coach after the Coaches' Meeting.

Can a player play on two teams? Players may not play on two teams in the same age group, however, a player may pay to play on two teams in separate age groups. Example: An 8-year-old may play on a Rookies and a Minors team. To play on two teams a player must pay two registration fees.

How much does it cost? Wookies is \$150, Rookies, Minors, Majors, and Prep are \$170.

What is included in the registration fees? 8 games, umpires (except Wookies), a jersey and cap, insurance, a newsletter, excellent fields, equipment and some teams receive a sportsmanship trophy.

How do you form teams? The WNSL is open to full teams, partial teams and free agents. All players are welcome to request a coach on their registration, however, this is just a request -- there is no guarantee that the participant will be placed on the team they request. We try our best to accommodate requests, however, coaches with pre-formed or partially formed teams submit rosters with the players they intend on playing on their team. We go by this roster first. Players not on a pre-formed team are free agents and we work to place them on a team with classmates/players from their area or create an entire team from free agents.

What happens if there are too few teams in an age group? The WNSL teams in the Prep, Majors and possibly the Minors will play teams from other close by leagues. WNSL understands that the older players may be playing football and numbers have a tendency to drop considerably in the older age groups.

How many players are on a team? 9 or 10 players play at one time. Most teams carry 10 to 12 players.

Is this league Co-Ed? Yes, Fall Baseball is Co-Ed.

Coach-Related Questions

Who coaches the teams in the Fall Baseball League? The WNSL relies on volunteers to coach. Some teams bring coaches with them and often parents coach. If you are interested in coaching or being an assistant you may indicate this on the “Volunteer” portion of the registration site.

How are coaches certified? Coaches are screened at the Coaches’ Meeting and sign a “Code of Conduct” as well as complete a background check.

How does a parent notify the league that he or she would like to coach or be a team parent? During the online registration process there is a “Volunteer” page. Click on the volunteer position you would like (Coach, Assistant Coach or Team Parent) and fill out the requested information. You will then be assigned to your child’s team once the registration process is closed.

Once I register, how long will it be before I hear from a coach? The coaches’ meeting is held in Late July to finalize all rosters. After that meeting a coach will be in touch with you.

How do you come up with team names? There are no team names in Fall Ball but teams are welcome to come up with a name of the team. *Note: Players receive a “generic” jersey and hat for Fall League so team names are strictly for scheduling purposes.*

Weather, Fields, Equipment and Fall Ball Basics

What type of Fall Baseball league does the WNSL offer? The WNSL feels all youth sports should be recreational in nature yet also competitive. For Fall Baseball, the season is more laid back with the focus being on preparing for the Spring Baseball Season. The sports program is not a baby sitting service but it is a league that does not encourage a “win at all cost” attitude. Sportsmanship, camaraderie, fun and learning the game are the most important aspects of our flag football league. The WNSL feels that the casual recreational player as well as the more serious competitive player will both be accommodated. In short, the WNSL wants players of all different levels to have fun,

excel and feel good about what they are doing. The older age groups play more competitively than the other age groups.

How long does the season last? The Fall Baseball season begins in Mid August and runs 8 weeks. Games are played Saturdays and Sundays throughout the day with the season ending in October. Some weekday games may be played if coaches desire.

Where are the games played? All of the games are played at the Warner Park Complex (Vaughn Road and Old Hickory Blvd.)

What happens in case of inclement weather? Are games rescheduled? How will a parent/coach know if games are canceled? Games may be rescheduled for Sundays or on weekday afternoons. Cancellations are posted on the website, on our social Media pages and an e-mail is sent out as well.

When and how often do teams practice? Teams usually practice one time per week, however, practice frequency and location is determined by each coach. Official WNSL Practice begins after the Coaches' Meeting.

Does the league provide photos for teams and individuals? Yes, teams and individuals can have photos taken.

What equipment does the League provide? The WNSL Provides Uniform Cap and Jersey, 1 Dozen practice balls at the beginning of the season, as well as all game balls. The WNSL no longer provides community equipment such as helmets or catchers equipment. We can help teams obtain this equipment if needed.

What equipment does the Individual player need? The players will need a glove and cleats or tennis shoes. Baseball pants and his/her own bat and batting helmet are optional. The League has a Dick's Sporting Goods Shop Day to assist players with their sporting goods needs.

Does the WNSL provide umpires for games? Yes. One or Two trained umpires are provided for every game. No umpires are needed for the Wookie Division though.

What are the rules for the different divisions? You can review the rules on the Fall Baseball Page of www.wnsl.org.

Does WNSL post standings? No, The WNSL does not provide standings for we do not want to promote over the top competitiveness and focus on the "Love of the Game" instead.

Is there a post season tournament for Fall Baseball? Not at this time.

Are league trophies given out at the end of the season for league champions?
No.

Sponsorships and Financial Aid

What if I am interested in sponsoring a team or the league? Please let your participant's coach know and then contact scott@wnsl.net or carly@wnsl.net.

Are there any opportunities for corporate sponsorships (other than the team sponsorships)? Yes. The WNSL offers corporate sponsorships for each individual sport, as well as the overall league.

Does the WNSL provide financial assistance or scholarships? Yes. If you are in need of a full or partial scholarship, fill out and submit the financial assistance information at www.wnsl.org. Someone will be in touch regarding to the amount of financial assistance available for your participant.

FREE AGENTS ON YOUR TEAM?

If one or more players have been added to your roster, please notify that player's parents immediately via phone and e-mail.

If a problem arises with the new player(s) -- for instance, being unable to practice during your scheduled time or living too far away from practice locations -- **please contact Scott (scott@wnsl.net) immediately** so that we may make other arrangements.

Thank you for your cooperation in these matters

LAZY PARENTS OR LAZY PLAYERS

When players do not show up for practices without a good reason, advise the parents that their child's playing time may be affected. If it becomes a pattern, contact Scott (scott@wnsl.net) with proper documentation and we will determine the best course of action, which will likely include an OK to cut that player's playing time. We will inform the parents of this decision.

Please note that submitting these requests and proper documentation must be done during the week and may not take place on game day. The WNSL will not tolerate cutting a player's playing time for "a lack of practice" without these materials. Thank you for your cooperation on this matter.

ABSENT PLAYERS LEAVING YOU SHORT?

Occasionally, a player may be added to a roster for a game due to low numbers. The added player must be eligible to participate in the division in question. If you need to add a player, please e-mail Scott (scott@wnsl.net) at least two days prior to the game. These changes may not be made on game day! **Adding players must be approved before game time.**

Please Note:

- There are no Wednesday practice times available at the Church.

The league will do its best to reschedule all rained out games.

SCHEDULE AND STANDINGS INFORMATION

The season schedule will not be published until early-August. When posted, it will appear on the league website at the top of the Baseball page.

We will not post standings or records due to the league's mission of promoting a love of the game rather than a love of winning.

Middle season standings adjustments

If your team is winless or undefeated at midseason, you may be moved up or down a division in an attempt to promote more evenly matched competition. Please inform your parents of this up front as the WNSL encourages players, coaches and everyone involved to be gracious in both victory and defeat.

End of season adjustments

The WNSL reserves the right to alter the schedule in the final two weeks of the season if need-be. This will occur, once again, to promote competitive balance. If we see a major mismatch, teams will be moved around in order to create equal competition.

Please make a habit out of checking your schedule multiple times each week

Though we will do everything in our power to give a week's notice if your original game time has been moved, please double check your schedule each and every week.

Coaches leading multiple baseball or flag football teams

Please make sure you list all the teams you are coaching on the request forms provided in the Addendum. We will do what we can to make the scheduling work for you. The league may not always be able to accommodate, so have your assistants prepared. No guarantees but we will do our best. The WNSL may not be able to honor "no conflicts" during the Flag Football end of season tournament.

Teams unable to make a game

If you cannot field a team on a given week, please inform the opposing coach and the league and make a good-faith effort to find a replacement team for your opponent to compete against. The coaches' contacts are listed on the "Team Rosters" tab on the WNSL webpage after logging into your account. Note that you can only view the coaches' contacts information if you are logged into your account.

Forfeits

Forfeits will not be tolerated. Coaches should CONTINUOUSLY check their schedule. Please communicate with your parents in advance to ensure player availability.

WNSL will be conducting background checks for all HEAD coaches. *Please keep in mind that this is a different process from the volunteer registration at WNSL.org.*

ALL First-Time Head Coaches must complete a background check!

CONCUSSION

INFORMATION AND SIGNATURE FORM FOR COACHES

(Adapted from CDC "Heads Up Concussion in Youth Sports")

**Read and keep this page.
Sign and return the signature page.**

THE FACTS

- A concussion is a **brain injury**.
- All concussions are **serious**.
- Concussions can occur **without** loss of consciousness.
- Concussion can occur **in any sport**.
- Recognition and proper management of concussions when they **first occur** can help prevent further injury or even death.

WHAT IS A CONCUSSION?

Concussion is a type of traumatic brain injury caused by a bump, blow or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move quickly back and forth, causing the brain to bounce around or twist within the skull.

This sudden movement of the brain can cause stretching and tearing of brain cells, damaging the cells and creating chemical changes in the brain.

Signs and symptoms of concussion generally show up soon after the injury. But the full effect of the injury may not be noticeable at first. For example, in the first few minutes the athlete might be slightly confused or appear a little bit dazed, but an hour later he or she can't recall coming to the practice or game.

You should repeatedly check for signs of concussion and also tell parents what to watch out for at home. Any worsening of concussion signs or symptoms indicates a medical emergency.

HOW CAN I RECOGNIZE A POSSIBLE CONCUSSION?

To help spot a concussion, you should watch for and ask others to report the following two things:

1. A forceful bump, blow or jolt to the head or body that results in rapid movement of the head.
2. Any concussion signs or symptoms such as a change in the athlete's behavior, thinking or physical functioning.

SIGNS AND SYMPTOMS

SIGNS OBSERVED BY COACHING STAFF	SYMPTOMS REPORTED BY ATHLETE
<ul style="list-style-type: none"> • Appears dazed or stunned • Is confused about assignment or position • Forgets an instruction • Is unsure of game, score or opponent • Moves clumsily • Answers questions slowly • Loses consciousness, even briefly • Shows mood, behavior or personality changes • Can't recall events prior to hit or fall • Can't recall events after hit or fall 	<ul style="list-style-type: none"> • Headache or "pressure" in head • Nausea or vomiting • Balance problems or dizziness • Double or blurry vision • Sensitivity to light • Sensitivity to noise • Feeling sluggish, hazy, foggy or groggy • Concentration or memory problems • Confusion • Just "not feeling right" or "feeling down"

WHAT ARE CONCUSSION DANGER SIGNS?

In rare cases, a dangerous blood clot may form on the brain in an athlete with a concussion and crowd the brain against the skull. Call 9-1-1 or take the athlete to the emergency department right away if after a bump, blow or jolt to the head or body the athlete exhibits one or more of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless or agitated
- Has unusual behavior
- Loses consciousness (*even a brief loss of consciousness should be taken seriously*)

WHY SHOULD I BE CONCERNED ABOUT CONCUSSIONS?

Most athletes with a concussion will recover quickly and fully. But for some athletes, signs and symptoms of concussion can last for days, weeks or longer.

If an athlete has a concussion, his or her brain needs time to heal. A repeat concussion that occurs before the brain recovers from the first – usually within a short time period (hours, days, weeks) – can slow recovery or increase the chances for long-term problems. In rare cases, repeat concussion can result in brain swelling or permanent brain damage. It can even be fatal.

HOW CAN I HELP ATHLETES TO RETURN TO PLAY GRADUALLY?

An athlete should return to sports practices under the supervision of an appropriate health care professional. When available, be sure to work closely with your team's certified athletic trainer.

Below are five gradual steps you and the health care professional should follow to help safely return an athlete to play. Remember, this is a gradual process. These steps should not be completed in one day, but instead over days, weeks or months.

BASELINE: Athletes should not have any concussion symptoms. Athletes should only progress to the next step if they do not have any symptoms at the current step.

STEP 1: Begin with light aerobic exercise only to increase an athlete's heart rate. This means about five to 10 minutes on an exercise bike, walking or light jogging. No weightlifting at this point.

STEP 2: Continue with activities to increase an athlete's heart rate with body or head movement. This includes moderate jogging, brief running, moderate-intensity stationary biking, moderate-intensity weightlifting (reduced time and/or reduced weight from your typical routine).

STEP 3: Add heavy non-contact physical activity such as sprinting/running, high-intensity stationary biking, regular weightlifting routine and/or non-contact sport-specific drills (in three planes of movement).

STEP 4: Athlete may return to practice and full contact (if appropriate for the sport) in controlled practice.

STEP 5: Athlete may return to competition.

If an athlete's symptoms come back or she or he gets new symptoms when becoming more active at any step, this is a sign that the athlete is pushing himself or herself too hard. The athlete

should stop these activities and the athlete's health care provider should be contacted. After more rest and no concussion symptoms, the athlete should begin at the previous step.

PREVENTION AND PREPARATION

Insist that safety comes first. To help minimize the risks for concussion or other serious brain injuries:

- Ensure athletes follow the rules for safety and the rules of the sport.
- Encourage them to practice good sportsmanship at all times.
- Wearing a helmet is a must to reduce the risk of severe brain injury and skull fracture. However, helmets are not designed to prevent concussion. There is no "concussion-proof" helmet. So even with a helmet, it is important for kids and teens to avoid hits to the head.

Check with your league, school or district about concussion policies. Concussion policy statements can be developed to include:

- The school or league's commitment to safety
- A brief description of concussion
- Information on when athletes can safely return to school and play.

Parents and athletes should sign the Parent Information and Signature Form at the beginning of the season.

ACTION PLAN

WHAT SHOULD I DO WHEN A CONCUSSION IS SUSPECTED?

No matter whether the athlete is a key member of the team or the game is about to end, an athlete with a suspected concussion should be immediately removed from play. To help you know how to respond, follow the Heads Up four-step action plan:

1. REMOVE THE ATHLETE FROM PLAY.

Look for signs and symptoms of a concussion if your athlete has experienced a bump or blow to the head or body. When in doubt, sit them out!

2. ENSURE THE ATHLETE IS EVALUATED BY AN APPROPRIATE HEALTH CARE PROFESSIONAL.

Do not try to judge the severity of the injury yourself. Health care professionals have a number of methods they can use to assess the severity of concussions. As a coach, recording the following information can help health care professionals in assessing the athlete after the injury:

- Cause of the injury and force of the hit or blow to the head or body
- Any loss of consciousness (passed out/knocked out) and if so, for how long
- Any memory loss immediately following the injury
- Any seizures immediately following the injury
- Number of previous concussions (if any)

3. INFORM THE ATHLETE'S PARENTS OR GUARDIANS.

Let them know about the possible concussion and give them the Heads Up fact sheet for parents. This fact sheet can help parents monitor the athlete for signs or symptoms that appear or get worse once the athlete is at home or returns to school.

4. KEEP THE ATHLETE OUT OF PLAY.

An athlete should be removed from play the day of the injury and until an appropriate health care provider* says he or she is symptom-free and it's OK to return to play. After you remove an athlete with a suspected concussion from practice or play, the decision about return to practice or play is a medical decision.

* Health care provider means a Tennessee licensed medical doctor, osteopathic physician or a clinical neuropsychologist with concussion training.

12. The decision concerning the “end of the play” is solely the discretion of the umpire. The umpire will call “Dead Ball” (a) when the action stops or (b) when the ball is in the possession of a defender within the infield and the lead runner has ceased to advance.
13. Overthrows—Runners may advance a maximum of one base, at their own risk, on any overthrow that stays in play. Once the runner(s) reach one base safely, the umpire will stop play until the next pitch from the machine. *Example: Runner at 1st base, ground ball to shortstop. In attempt to throw out the runner at 2nd base, the shortstop throws the ball past the 2nd baseman and into right field. Maximum advance will be for original runner to end up at third and the batter to end up at second.* Note: If ball goes out of play, book rule is in effect.

WNSL Baseball League Rules

Minors Division

Rev. 2/24/2023

Rules Overview

Any special rules contained in this document will be in effect. Anything not covered here will be in accordance with the Cal Ripken/Babe Ruth Baseball rulebook

Team Responsibilities and Conduct

1. The home team will occupy the 3rd base dugout.
2. Teams must provide their lineup to the opposing coach and scorebooks before the game begins.
3. Eight (8) players constitute a legal team, and the game must begin if both teams have at least eight players present. If a team is playing with less than nine batters, no “automatic outs” will be assessed for the missing players in the batting order.
4. If either team does not have eight players present at the appointed game time, the game may begin as a forfeit. The official clock begins at the scheduled game time. If two legal teams are not present at game time, the game will be declared a forfeit, the coaches shall split the available players into two teams and the umpires shall work a scrimmage of the players.
5. If a player leaves a game for any reason, all other batters will move up in the batting order with no penalty of an out to the team. If this player leaving causes a team to fall below the number of players necessary for a legal team, the game shall be declared a forfeit and the teams shall follow the forfeit procedure above.
6. If a player arrives after the game has begun, he/she shall be inserted at the bottom of the batting order. Only players present at game time shall be listed on the batting order.
7. Players and coaches are expected to show good sportsmanship at all times, including the shaking of hands after the game. Spectators will not be allowed to harass opposing players or umpires.
8. Unsportsmanlike conduct by a player, coach or fan will not be tolerated and could result in being asked to leave the league. The head coach is responsible for the conduct of his coaches, parents and players.
 - a) A runner may not maliciously crash or slide into a fielder for any reason. The runner will be called out and, depending on the circumstances, could be removed from the game.
 - b) If a batter unintentionally throws a bat, the entire team will be given a warning. The second unintentional throwing of a bat will result in the batter being called out and the bat being declared dead. If a batter intentionally throws a bat, the batter will be removed from the game.
9. Each team is responsible for the cleanliness in and around its dugout at the end of each game and practice. All trash must be placed in a trash receptacle.

Equipment, Dimensions and Game Length

1. A game shall last 6 innings, with a time limit of 90 minutes. The next inning begins the instant the final out of the previous inning is made. No new inning may begin after the time limit is reached. Once time has expired, the current inning will be completed unless the home team is batting and is ahead. Stalling for any reason is a violation of the WNSL's Code of Conduct and will not be tolerated.
2. If there is a tie at the end of the sixth inning and the time limit has not expired, the teams may play as many extra innings as possible until either a winner is decided or the time limit is reached. If any extra innings are played, International Rule will be in effect (team batting will begin with runner who batted last in previous inning at 2nd base). If the score is even at the end of the limits above, the game will end in a tie.
3. The bases shall be set 60 ft. apart and the pitcher's rubber 46 ft. from rear point of plate.
4. Bats must meet the requirements set forth by the USA Bat Standards. Please review the online link to find the complete list of approved bats.

Special Rules

Batting

1. A continuous batting order shall be used with every player occupying a spot in the batting order. At the beginning of each inning, the batting order will begin from the point it ended the previous inning.
2. Bunting is allowed, however, deceptive practices such as faking a bunt by waving the bat to distract the pitcher will not be tolerated. If the umpire determines the batter is involved in this practice, the batter will be declared out.
3. Stealing stipulation: A team may not steal or advance on a wild pitch, passed ball, or errant throw from the catcher back to the pitcher if team at-bat has a 10-run or more lead. *In the Recreational Division, players will not be allowed to steal home on a passed ball, wild pitch, or overthrow back to the pitcher at any point during the game.*
4. In the interest of keeping games moving, the league encourages the use of a courtesy runner for the catcher with two outs. The runner must be the last player to record an out.
5. Reminders for Run Rules and Time Limits – See chart in Appendix A at the end of this document.

Defense

6. The defensive team may only play nine (9) players in the field at one time with no more than six (6) players in the infield at any point prior to the batter making contact with the ball.

7. Each player present at the beginning of the game must play at least six (6) defensive outs prior to the completion of the 4th inning. Substitutions may be made freely at the coach's discretion.

8. The decision concerning the "end of the play" is solely the discretion of the umpire. The umpire will call "Dead Ball" when the ball is in possession of a defender and all runners have ceased to advance.

Pitching Guidelines

1. Each Team must record their number of pitches for each pitcher in every game. They must report these to the opposing coach and to the umpire at the conclusion of the game.

2. A Pitcher may Pitch a maximum of 75 pitches in a Game/Day. If 1-40 pitches are made, 0 days rest is needed for the pitcher to again pitch. If 41-65 pitches are made, then 1 full day of rest is required. If 66+ pitches are made, 2 full days of rest is required.

Examples: A pitcher who pitches 40 pitches on Saturday would be eligible to pitch again on Sunday. A pitcher who pitches 65 pitches on Saturday would be eligible to pitch again on Monday. A pitcher who pitches 66 or more pitches on Saturday would be eligible to pitch again on Tuesday.

3. A coach's second trip to the mound in the same inning, to the same pitcher for purposes other than obvious injury to the pitcher shall result in the removal of that pitcher.

4. For safety, a player warming up in foul territory during the game must have a person protecting him.

5. The balk rule is not in effect

6. If the pitcher who completed the last inning is still pitching, the time between innings should not exceed 1 minute. (Coaches are encouraged to send out a coach to receive the warm-up pitches if the catcher must put on gear.) If there is a new pitcher entering the game, that pitcher will be given the customary 8 pitches to warm up.

Special Rule Regarding Weather Delays and Multiple Rainouts

Occasionally, WNSL is faced with the situation that fields are too wet for early games on weekend days, but that fields can become playable by later in that same day. In such cases, the League may determine that it is in the best interest of play, that a slightly abbreviated set of rules be intact, to allow for more games to be played.

These rules will be declared only when there is the need to get more games played in a shorter time due to wet fields and/or in “**wet seasons**” when there are not enough days remaining to play the needed number of make-up games.

In such case, games will be played under what the League will now call:

Turbo Rules

1. The League will adjust the Time Limit for the games in question, i.e. a Majors or Minors game originally scheduled for 90 minutes might be adjusted to 80 minutes or less, or a Machine Pitch game originally scheduled for 80 minutes might be adjusted to 70 minutes or less, etc. These time limits will be set on a case-by-case basis, as necessary, by the league.
2. The maximum runs-allowed per inning will be adjusted to four, regardless of the score. The Runs-Per-Inning Rule will not be in effect for Turbo Rule Games, but teams are encouraged to play-out games until the shortened time limit.

WNSL Out-of-Age Player-Exception Policy

(For “age-determined” Sports such as Baseball)

"A team is limited to one out-of-age-group exception, when approved by WNSL (decision to approve will not be automatic, but considered on individual basis with guidelines such as player age, size, experience in the sport, skill-level, etc.). WNSL, after a chance to observe the player, reserves the right to either (a) move-up the player or (b) move-up the entire team if the player is exceptional."
