Sign-Ups, Cost and Division Questions

When can we register? Regular registration is now open and will close in Mid July. See www.wnsl.org for specific dates.

How do I register and pay online? Go to www.wnsl.org and click on one of the sports you would like to register for. Once on a sport-specific page, log into your WNSL account (see the Login button on the right side of the screen). Once logged into your account, click “Register Now” in the top left corner to select the sport you would like to register your child for. If you do not have a WNSL account, click the “Register” button on the right of the screen to register/create an account. You will then “Add Participants” to your account and select which sport(s) you would like to register them for. There is a helpful “How to Register” link on each sport’s page.

What if I do not want to register online? You can download an application on the Softball page at www.wnsl.org. You may mail it in with a check but there will be a \$10 paper registration fee as indicated on the application.

What if I forget to register? After the deadline coaches or the WNSL Director must approve the addition of players and the registration price increases in every division. After this date, registrations may be accepted on a case-by-case basis with prior approval from the WNSL Director or a coach.

Do you give refunds if my child decides not to participate? The WNSL Refund Policy is: *I understand and agree that no refunds will be provided for this season unless there is a medical reason. This includes free agent players that are assigned to a team that may not have a coach. In lieu of a refund the registration fee may be moved to another sport up to the time that uniforms are ordered. After uniforms are ordered the transfer of fees to another sport is not available and there are no refunds allowed. Please ensure you are ready to play the sport you are registering for in the WNSL and are committed to playing for we do not offer refunds for joining the incorrect league or for conflicting players' activities.*

Who can play in the WNSL and how do you form teams? The WNSL is open to full teams, partial teams and free agents. All players are welcome to request a coach on their registration, however, this is just a request -- there is no guarantee that the participant will be placed on the team they request. We try our best to accommodate requests; however, coaches with pre-formed or partially formed teams submit rosters with the players they intend on playing on their team. We go by this roster first. Players not on a pre-formed team are free agents and we work to place them on a team with classmates/players from their area or create an entire team from free agents. There is no draft in the WNSL.

If my player is not on a preformed team, how and when will I know which team he/she is on? Individuals not on a team (Free Agents) will be contacted by their coach following the Coaches' Meeting, which takes place in late July.

Is the WNSL affiliated with a national softball organization? The WNSL is affiliated with the Babe Ruth/Cal Ripken softball league.

What are the age divisions and can players play up or down? We have 5 divisions:

6U - 5 and 6 year olds

8U - 7 and 8 year olds

10U - 9 and 10 year olds

12U - 11 and 12 year olds

14U - 13 and 14 year olds

The child's age on January 1st, 2024 determines in which division he/she will play. Because of this, we will not allow kids to "play down" a division but they are allowed to "play up." **Occasionally** a player will be allowed to play down but this exception must be approved by the director of the WNSL.

How much does Fall Softball cost? 6U - \$150, 8U - 12U - \$170

What is included in the registration fees? The registration fee includes staff, insurance, uniforms, field maintenance, umpires, etc. A lot of work goes into the preparation of the fields both before the season and prior to games each day. We also try to upgrade the facilities a little bit each year.

Coach/Team Parent Related Questions

Who coaches the teams in the Fall Softball League? Some teams bring coaches with them and often parents coach. If you are interested in coaching or being an assistant you may indicate this on the “Volunteer” portion of the registration site. Coaches, assistant coaches and team parents need to complete the Volunteer area on the website during registration process.

How are coaches certified? Coaches are asked to provide necessary background check information at the Coaches’ Meeting in Late July and sign a “Code of Conduct”.

How does a parent notify the league that he or she would like to coach or be a team parent? During the online registration process there is a “Volunteer” page. Click on the volunteer position you would like (Coach, Assistant Coach or Team Parent) and fill out the requested information. You will then be assigned to your child’s team once the registration process is closed.

How do you come up with team names? The coaches determine team names.

How many players are on a team? The WNSL does not have a specific policy regarding number of players but recommends teams carry 10-12 players. Some coaches may choose to have more.

Weather, Practice, Season Length, and Softball Basics

What type of softball league does the WNSL offer? The WNSL feels all youth sports should be recreational in nature yet also competitive where the players feel engaged and have the desire to work toward being better at the sport. The sports program is not a babysitting service but it is a league that does not encourage a win-at-all-cost attitude. Sportsmanship, camaraderie, fun and learning the game are the most important aspects of our softball league. Teams play 10-14 games (depending on the division) for the recreational regular season. The WNSL feels that the casual recreational player as well as the more serious competitive player will both be accommodated. In short, the WNSL wants players of all different levels to have fun, excel and feel good about what they are doing.

Are there different rules for different divisions? Yes. The complete rules for all divisions are available on the WNSL website but in short, we start out teaching basic skills and the game becomes more like “real” baseball as the kids get older.

When does the season start and how long does it last? The 2023 Fall Softball season’s first pitch will be on August 19th and conclude in Mid October.

When and how often do teams practice? Teams usually practice once-a-week before games begin but teams may practice as little or as much as they wish. Teams will be given one practice slot for each week before the season begins, but if they wish to find their own practice spot, they are encouraged to do so. Once games begin, practice times will be limited due to field availability.

Where are the games played? All games are played at the Green Hills Park (behind JT Moore Middle School), Harpeth Hills Church of Christ or Edwin Warner Park.

Does the WNSL provide insurance? Yes. The WNSL does provide full insurance for all practice venues. You can obtain a certificate upon request. To receive your copy of the insurance policy, contact Angela Salcido at West Point Insurance: E-Mail: angela@westpointinsurance.com , Phone: 800.318.7709. Inform her you are with the WNSL, give her the facility name and address and you will receive your policy within one day.

Does the league provide photos for teams and individuals? This is To Be Determined.

What happens in case of inclement weather? Are games rescheduled? How will a parent/coach know if games are canceled? Rainouts are unfortunately a part of softball. If games are canceled, there will be a notice on the homepage of www.wnsl.org, a posting on the league's Twitter account (@WNSLonline) as well as a message stating games have been canceled at 615.376.4700. The league will do its best to reschedule all games.

Does the WNSL post standings? No, the WNSL does not provide standings as we do not want to promote over-the-top competitiveness and wish to focus on the "Love of the Game" instead. During tournaments, however, scores are posted and teams are rewarded for winning.

Sponsorships and Financial Assistance

What if I am interested in sponsoring a team or the league? Please let your participant's coach know and then contact carly@wnsl.net.

Are there any opportunities for corporate sponsorships (other than the team sponsorships)? Yes. The WNSL offers corporate sponsorships for each individual sport, as well as the overall league. All opportunities are listed under the sponsorship link at www.wnsl.org. If you are interested in corporate sponsorships, contact scott@wnsl.net. There is also an opportunity for a field to be named after a corporate sponsorship for \$1000.

Does the WNSL provide financial assistance or scholarships? Yes. If you are in need of a full or partial scholarship, fill out and submit the financial assistance information at www.wnsl.org. Someone will be in touch in regards to the amount of financial assistance available for your participant.

Miscellaneous Questions

Are end of season trophies presented to the league champions/runners up? The Softball League does not award Championship and Runner-Up trophies to teams. We like to keep the focus on purely the Love of the Game. We do give out "Love of the Game" sportsmanship trophies to teams that exemplify good sportsmanship throughout the season. If a coach requests, players will receive a medallion at the end of the season. Championship trophies are given out at the tournaments.

What is the difference between WNSL and other softball leagues? The West Nashville Sports League is a top-notch youth sports organization that emphasizes all players valuing the pure love-of-the-game over a winning-at-all-costs attitude. We work hard to keep everyone heavily involved in the community by promoting and being involved in local organizations, colleges and events. Providing fun Opening Day events, the best field conditions possible, certified umpires, and excellent communication to all participants, parents and coaches and an informative and user friendly website, the WNSL goes above and beyond to create a memorable and positive experience for all involved.
