Dear Prospective Sponsor,

The West Nashville Sports League is seeking your support in providing Basketball, Baseball, Flag Football, Soccer, Softball, Golf and Cheerleading to the youth of Middle Tennessee.

Since 1997, WNSL has been an athletic outlet to thousands of area boys and girls. As a youth sports league, we take great pride in the achievements of this program, which operates at the highest level and is a strong catalyst in keeping the youth of our community on the playing field. The WNSL mission is to teach children the fundamentals of basketball, baseball, flag football, golf, soccer, softball and the art of cheerleading while promoting discipline, dedication and team work in a fun, safe, and friendly environment.

One of the largest obstacles our organization faces is providing quality playing and learning experiences for many participants who are on a limited budget. The ability to meet the cost of operating and maintaining a quality program would not be possible without you, our community leaders.

Your donation will help fund first-rate manpower, provide quality equipment and playing fields, and enable us to keep our costs low so children of all social and economic backgrounds can participate.

Your contribution will make a difference and become a part of our community's effort to do something very positive for our youth and future leaders. The benefits are the young adults who will have been given the opportunity to learn lessons in self-worth, character, fair play, sportsmanship, discipline, team spirit, hard work and unity.

Respectfully,

President, West Nashville Sports League

WNSL Indoor Soccer League Frequently Asked Questions

If you have a question, start here. If you still cannot find your answer, E-Mail scott@wnsl.net.

Sign-Ups, Cost and Division Questions

When can we register? Registration is now open and will close in Late September for Fall and Early December for Winter.

How do I register and pay online? Go to www.wnsl.org and click on one of the sports you would like to register for. Once on a sport-specific page, log into your WNSL account (see the Login button on the right side of the screen). Once logged into your account, click "Register Now" in the top left corner to select the sport you would like to register your child for. If you do not have a WNSL account, click the "Register" button on the right of the screen to register/create an account. You will then "Add Participants" to your account and select which sport(s) you would like to register them for.

What if I do not want to register online? You can download a paper registration form on the Soccer page at www.wnsl.org. You may mail it in with a check but there will be a \$10 paper registration fee as indicated on the application.

What if I forget to register? The price will increase after the published registration deadline. Late registrations will be taken on a case-by-case basis and players will be added to existing teams or new teams created if the need arises.

Do you give refunds if my child decides not to participate? Refunds are only given with a Doctor's excuse that a child cannot play due to injury (minus a \$35 administration fee). Registrations may be transferred to another sport up until the Coach Meeting. After the coach meeting has occurred, transfers are not available.

What are the divisions? Co-ed Pre-K/K, Co-ed 1st/2nd Grade, 3rd Grade Boys, 4th Grade Boys, 3rd/4th Grade Girls, 5th Grade Boys, 6th Grade Boys, 5th – 6th Girls, 7th – 9th Boys & Girls. The number of participants will determine all divisions. If there are not enough teams in a division for fair play, divisions may be combined and girls may play boy teams with girls playing down a division for fairness.

Are players allowed to play up or play down? One player per team may play down one division with approval from the league. To get approval for your player to play down, contact scott@wnsl.net.

If my player is not on a preformed team how and when do I know which team he/she is on? Individuals not on a team (Free Agents) will be contacted by their coach after the Coaches' Meeting.

What happens if my team does not have a coach? WNSL relies heavily on volunteer coaches. Sometimes, we do not have enough volunteers for the number of players that register. If your team does not have a coach, WNSL will first ask if any parent or group of parents is willing to take on coaching responsibilities. If no one is willing or able, we WNSL will find a paid coach to oversee your team, the cost of which will be divided among the parents. Refunds due to a team not having a coach are very seldom given and will be handled on a case-by-case basis.

Can a player play on two teams? Players may not play on two teams in the same age group; however, a player may pay to play on two teams in separate age groups. Example: A Kindergarten player may also play on a 1st Grade team. To play on two teams a player must pay two registration fees.

How much does it cost? Division costs range from \$170 to \$190 depending on the season and age group. See divisions at www.wnsl.org/soccer for more information.

What is included in the registration fees? Minimum of 7 games, referees, participation medallion if requested, a jersey, insurance, a newsletter, excellent indoor fields, equipment and league administration.

How do you form teams? The WNSL is open to full teams, partial teams and free agents. All players are welcome to request a coach on their registration, however, this is just a request -- there is no guarantee that the participant will be placed on the team they request. We try our best to accommodate requests, however, coaches with pre-formed or partially formed teams submit rosters with the players they intend on playing on their team. We go by this roster first. Players not on a pre-formed team are free agents and we work to place them on a team with classmates/players from their area or create an entire team from free agents.

What happens if there are too few teams in a division? The WNSL will do whatever possible to have all divisions play. If there are not enough we will combine divisions, make division's co-ed, or have boys/girls teams play against one another. If we are unable to form divisions we will offer refunds (less a \$35 administrative fee).

How many players are on a team? Pre-K - K will have 4 players on the field and 1st - 9th will have 5 players on the field. The minimum number of players to be considered a full team is 8 players (6 for PreK/K). The league reserves the right to add free agents to a team with less than the minimum number of players.

Is this league Co-Ed? Yes, Soccer is Co-Ed for Pre-K and K and 1st and 2nd Grade divisions. If there are not enough older girls teams, girls divisions may be combined with boys divisions.

Coach-Related Questions

Who coaches the teams in the Late Fall/Winter Soccer League? The WNSL relies on volunteers to coach. Some teams bring coaches with them and often parent's coach. If you are interested in coaching or being an assistant you may indicate this on the "Volunteer" portion of the registration site.

How are coaches certified? Coaches are screened at the Coaches' Meeting and sign a "Code of Conduct" as well as complete a background check.

How does a parent notify the league that he or she would like to coach or be a team parent? During the online registration process there is a "Volunteer" page. Click on the volunteer position you would like (Coach, Assistant Coach or Team Parent) and fill out the requested information. You will then be assigned to your child's team once the registration process is closed.

Once I register, how long will it be before I hear from a coach? The coaches' meeting is held in Mid October (Late Fall) or Mid December (Winter) to finalize all rosters. After that meeting a coach will be in touch with you. Coaches that add a free agent player are asked to contact the free agent player immediately.

What if there are not enough coaches signed up? The WNSL does its best to never turn away a player. If there are not enough coaches initially volunteered, the league will create new teams called "Free Agent Teams" and ask parents from that team to volunteer to coach.

How do you come up with team names? There are no team names in WNSL Soccer but teams are welcome to come up with a name of the team. *Note: Players receive a "generic" reversible jersey for Soccer, so team names are strictly for scheduling purposes.*

Weather, Fields, Equipment and Soccer Basics

What type of Soccer league does the WNSL offer? The WNSL feels all youth sports should be recreational in nature yet also competitive. For Soccer, the season is more laid back. The sports program is not a baby-sitting service but it is a league that does not encourage a "win at all cost" attitude. Sportsmanship, camaraderie, fun and learning the game are the most important aspects of our soccer league. The WNSL feels that the casual recreational player as well as the more serious competitive player will both be accommodated. In short, the WNSL wants players of all different levels to have fun, excel and feel good about what they are doing. The older age groups play more competitively than the other age groups.

How long does the season last? Soccer season begins Late October (Fall) or early January (Winter) (See the site for details) and runs approximately 8 weeks. Games are played every Saturday throughout the day (8AM – 5PM Depending on Facility Availability). Some weekday or Sunday games may be played if coaches desire.

Where are the games played? All of the games are played at Boost Fit Club (11 Vaughn's Gap Rd).

What happens in case of inclement weather? Are games rescheduled? How will a parent/coach know if games are canceled? Games may be rescheduled for Sundays or on weekday afternoons. Cancellations are posted on the website, on the phone line (376-4700) and if time permits an e-mail is sent out as well.

When and how often do teams practice? Teams are responsible for their own practice locations. Limited slots are available at Boost Fit Club. Teams can call Boost at (615) 662-8989 to book times and receive a WNSL team discount.

Does the league provide photos for teams and individuals? No, not at this time.

What equipment does the League provide? The WNSL provides indoor fields, game balls, goalie pennies, as well as jerseys for Soccer.

What equipment does the Individual player need? Appropriate cleats or tennis shoes, shin guards, socks that will cover the shin guards, and a Futsal practice ball.

Does the WNSL provide referees for games? Yes. One trained referee is provided for every game in the 1st - 9th grade divisions. Youth referees are provided for the Pre-K – K Division *when available*.

What are the rules for the different divisions? You can review the rules on the Soccer page of www.wnsl.org.

Does WNSL post standings? No, The WNSL does not provide standings for we do not want to promote over the top competitiveness and focus on the "Love of the Game" instead.

Is there a post-season tournament for Soccer? Not at this time.

Are league trophies given out at the end of the season for league champions?
No.

Sponsorships and Financial Aid

What if I am interested in sponsoring a team or the league? Please let your participant's coach know and then contact scott@wnsl.net or carly@wnsl.net.

Are there any opportunities for corporate sponsorships (other than the team sponsorships) ? Yes. The WNSL offers corporate sponsorships for each individual sport, as well as the overall league.

Does the WNSL provide financial assistance or scholarships? Yes. If you are in need of a full or partial scholarship, fill out and submit the financial assistance information at www.wnsl.org. Someone will be in touch regarding to the amount of financial assistance available for your participant. No player will be turned away for financial reasons.

PARKING AT BOOST FIT CLUB

Parking at Boost Fit Club is challenging due to the number of activities taking place on the Boost Campus. To help with these issues, WNSL is being asked to enforce the following:

1. Please only park in the designated soccer areas during high volume times. There will be parking attendants on site to help you locate a parking spot. Please follow their instructions and treat them with kindness.
2. Please exit the facility as soon as possible after your game. Please do not have extended team parties in the lobby or field house after your game.
3. Please bring only ONE CAR PER PLAYER - Teams will be receiving car hang tags this season. Each team will receive tags equal to the number of players on the roster. For example, if you have 8 players you will receive 8 tags. ONLY cars with these tags will be allowed to park in the Boost parking lot. Please arrange to carpool as much as possible.

Please share this with your parents. We thank you in advance for your cooperation.

The WNSL Newsletter

The WNSL Newsletter is the WNSL's bi-weekly email filled with important updates, photos of the week, upcoming events and other announcements. All coaches and parents will receive the newsletter by default.

Please note: While it is your option to unsubscribe, this newsletter is the league's best method to deliver vital information to the all participants in the league. We encourage you to scan/read through each issue for information you or your parents may have missed.

WEATHER CANCELATIONS

For weather cancelations:

1. There will be a notice on the www.wnsl.org website,
2. A message on the League's Twitter (@WNSLonline) and Facebook page.
3. We will try to send an email out to all participants.
4. Due to time constraints at Boost Fit Club, games canceled due to weather will not be made up.

No messages or notice means games are on as scheduled.

SCHEDULE AND STANDINGS INFORMATION

The season schedule will be published before the first game. When posted, it will appear on the league website at the top of the Soccer page.

We will not post standings or records due to the league's mission of promoting a love of the game rather than a love of winning.

Middle season standings adjustments

If your team is 0-3 or 3-0 at midseason, you may be moved up or down a division in an attempt to promote evenly matched competition. Please inform your parents of this up front as the WNSL encourages players, coaches and everyone involved to be gracious in both victory and defeat.

End of season adjustments

The WNSL reserves the right to alter the schedule in the final two weeks of the season if needed. This will occur, once again, to promote competitive balance. If we see a major mismatch, teams will be moved around in order to create equal competition.

Please make a habit out of checking your schedule multiple times each week

Though we will do everything in our power to give a week's notice if your original game time has been moved, please double check your schedule each and every week.

Coaches leading multiple teams

Please make sure you list all the teams you are coaching on the request forms provided in the Addendum. We will do what we can to make the scheduling work for you. The league may not always be able to accommodate, so have your assistants prepared. No guarantees but we will do our best.

Teams unable to make a game

If you cannot field a team on a given week, please inform the opposing coach and the league and make a good-faith effort to find a replacement team for your opponent to compete against. The coaches' contacts are listed on the "Team Central → Rosters" tab on the WNSL webpage after logging into your account. Note that you can only view the coaches' contacts information if you are logged into your account.

Forfeits

Forfeits will not be tolerated. Coaches should CONTINUOUSLY check their schedule. Please communicate with your parents in advance to ensure player availability.

CONCUSSION

INFORMATION AND SIGNATURE FORM FOR COACHES

(Adapted from CDC "Heads Up Concussion in Youth Sports")

**Read and keep this page.
Sign and return the signature page.**

THE FACTS

- A concussion is a **brain injury**.
- All concussions are **serious**.
- Concussions can occur **without** loss of consciousness.
- Concussion can occur **in any sport**.
- Recognition and proper management of concussions when they **first occur** can help prevent further injury or even death.

WHAT IS A CONCUSSION?

Concussion is a type of traumatic brain injury caused by a bump, blow or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move quickly back and forth, causing the brain to bounce around or twist within the skull.

This sudden movement of the brain can cause stretching and tearing of brain cells, damaging the cells and creating chemical changes in the brain.

Signs and symptoms of concussion generally show up soon after the injury. But the full effect of the injury may not be noticeable at first. For example, in the first few minutes the athlete might be slightly confused or appear a little bit dazed, but an hour later he or she can't recall coming to the practice or game.

You should repeatedly check for signs of concussion and also tell parents what to watch out for at home. Any worsening of concussion signs or symptoms indicates a medical emergency.

HOW CAN I RECOGNIZE A POSSIBLE CONCUSSION?

To help spot a concussion, you should watch for and ask others to report the following two things:

1. A forceful bump, blow or jolt to the head or body that results in rapid movement of the head.
2. Any concussion signs or symptoms such as a change in the athlete's behavior, thinking or physical functioning.

SIGNS AND SYMPTOMS

SIGNS OBSERVED BY COACHING STAFF	SYMPTOMS REPORTED BY ATHLETE
• Appears dazed or stunned • Is confused about assignment or position • Forgets an instruction • Is unsure of game, score or opponent • Moves clumsily • Answers questions slowly • Loses consciousness, even briefly • Shows mood, behavior or personality changes • Can't recall events prior to hit or fall • Can't recall events after hit or fall	• Headache or "pressure" in head • Nausea or vomiting • Balance problems or dizziness • Double or blurry vision • Sensitivity to light • Sensitivity to noise • Feeling sluggish, hazy, foggy or groggy • Concentration or memory problems • Confusion • Just "not feeling right" or "feeling down"

WHAT ARE CONCUSSION DANGER SIGNS?

In rare cases, a dangerous blood clot may form on the brain in an athlete with a concussion and crowd the brain against the skull. Call 9-1-1 or take the athlete to the emergency department right away if after a bump, blow or jolt to the head or body the athlete exhibits one or more of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless or agitated
- Has unusual behavior
- Loses consciousness (*even a brief loss of consciousness should be taken seriously*)

WHY SHOULD I BE CONCERNED ABOUT CONCUSSIONS?

Most athletes with a concussion will recover quickly and fully. But for some athletes, signs and symptoms of concussion can last for days, weeks or longer.

If an athlete has a concussion, his or her brain needs time to heal. A repeat concussion that occurs before the brain recovers from the first – usually within a short time period (hours, days, weeks) – can slow recovery or increase the chances for long-term problems. In rare cases, repeat concussion can result in brain swelling or permanent brain damage. It can even be fatal.

HOW CAN I HELP ATHLETES TO RETURN TO PLAY GRADUALLY?

An athlete should return to sports practices under the supervision of an appropriate health care professional. When available, be sure to work closely with your team's certified athletic trainer.

Below are five gradual steps you and the health care professional should follow to help safely return an athlete to play. Remember, this is a gradual process. These steps should not be completed in one day, but instead over days, weeks or months.

BASELINE: Athletes should not have any concussion symptoms. Athletes should only progress to the next step if they do not have any symptoms at the current step.

STEP 1: Begin with light aerobic exercise only to increase an athlete's heart rate. This means about five to 10 minutes on an exercise bike, walking or light jogging. No weightlifting at this point.

STEP 2: Continue with activities to increase an athlete's heart rate with body or head movement. This includes moderate jogging, brief running, moderate-intensity stationary biking, moderate-intensity weightlifting (reduced time and/or reduced weight from your typical routine).

STEP 3: Add heavy non-contact physical activity such as sprinting/running, high-intensity stationary biking, regular weightlifting routine and/or non-contact sport-specific drills (in three planes of movement).

STEP 4: Athlete may return to practice and full contact (if appropriate for the sport) in controlled practice.

STEP 5: Athlete may return to competition.

If an athlete's symptoms come back or she or he gets new symptoms when becoming more active at any step, this is a sign that the athlete is pushing himself or herself too hard. The athlete

should stop these activities and the athlete's health care provider should be contacted. After more rest and no concussion symptoms, the athlete should begin at the previous step.

PREVENTION AND PREPARATION

Insist that safety comes first. To help minimize the risks for concussion or other serious brain injuries:

- Ensure athletes follow the rules for safety and the rules of the sport.
- Encourage them to practice good sportsmanship at all times.
- Wearing a helmet is a must to reduce the risk of severe brain injury and skull fracture. However, helmets are not designed to prevent concussion. There is no "concussion-proof" helmet. So even with a helmet, it is important for kids and teens to avoid hits to the head.

Check with your league, school or district about concussion policies. Concussion policy statements can be developed to include:

- The school or league's commitment to safety
- A brief description of concussion
- Information on when athletes can safely return to school and play.

Parents and athletes should sign the Parent Information and Signature Form at the beginning of the season.

ACTION PLAN

WHAT SHOULD I DO WHEN A CONCUSSION IS SUSPECTED?

No matter whether the athlete is a key member of the team or the game is about to end, an athlete with a suspected concussion should be immediately removed from play. To help you know how to respond, follow the Heads Up four-step action plan:

1. REMOVE THE ATHLETE FROM PLAY.

Look for signs and symptoms of a concussion if your athlete has experienced a bump or blow to the head or body. When in doubt, sit them out!

2. ENSURE THE ATHLETE IS EVALUATED BY AN APPROPRIATE HEALTH CARE PROFESSIONAL.

Do not try to judge the severity of the injury yourself. Health care professionals have a number of methods they can use to assess the severity of concussions. As a coach, recording the following information can help health care professionals in assessing the athlete after the injury:

- Cause of the injury and force of the hit or blow to the head or body
- Any loss of consciousness (passed out/knocked out) and if so, for how long
- Any memory loss immediately following the injury
- Any seizures immediately following the injury
- Number of previous concussions (if any)

3. INFORM THE ATHLETE'S PARENTS OR GUARDIANS.

Let them know about the possible concussion and give them the Heads Up fact sheet for parents. This fact sheet can help parents monitor the athlete for signs or symptoms that appear or get worse once the athlete is at home or returns to school.

4. KEEP THE ATHLETE OUT OF PLAY.

An athlete should be removed from play the day of the injury and until an appropriate health care provider* says he or she is symptom-free and it's OK to return to play. After you remove an athlete with a suspected concussion from practice or play, the decision about return to practice or play is a medical decision.

* Health care provider means a Tennessee licensed medical doctor, osteopathic physician or a clinical neuropsychologist with concussion training.

- D. In applying the **ADVANTAGE RULE**, the referee may refrain from calling a foul if the player fouled or his/her team retains possession of the ball.
- E. A **DIRECT FREE KICK** means a goal can be scored directly from the kick. The referee shall signal an **INDIRECT FREE KICK** by raising one arm. When the ball is kicked the referee shall hold the arm up until it has touched another player on either team (this includes the goalkeeper as the 2nd player). There will be no penalty kicks in the 4-year-old, pre k and kindergarten division.

A team awarded a free kick (direct or indirect) does not have to wait for the referee's signal or whistle to kick the ball, however the ball must first be stationary. Another player must touch the ball before the kicking player can again touch the ball. Players shall stand 10 yards away from all free kicks, unless the kick is less than 10 yards from the defending team's goal, in which case the defending players may stand on their team's goal line.

- F. All restarts from the sideline will be a kick-in.
- G. In 4 Year olds, Pre k and Kindergarten Divisions, players will perform a 'kick in' at the spot where the ball went out of bounds instead of a 'throw in'.
- H. The GOALKEEPER is permitted to hold onto the ball for five seconds and must get rid of the ball during that time. Any time taken while recovering balance is not counted. Penalty is INDIRECT free kick at the point of infraction. The keeper cannot punt the ball but must either throw or drop the ball and kick it. NO PUNTING.
- I. OFFSIDES shall not be enforced.
- J. An INDIRECT FREE KICK is awarded for the following offenses:
 - 1. Kicking or attempting to kick
 - 2. Tripping

 - 12. Intentionally obstructing the opponent.
 - 13. Obstructing or interfering with the goalkeeper.
 - 14. When a goalkeeper holds onto a ball for more than five seconds.
- K. When a player receives an initial yellow card, the player shall leave the game and a substitution for that player may be made. The player can return to play at the next substitution opportunity for his or her team. A player receiving a second yellow card in the same game automatically receives a red card and is expelled from the game. Substitution cannot be made for a player expelled from a game.
- L. No player shall INTENTIONALLY head the ball. A player who intentionally plays the ball with their head (a "header") shall receive a YELLOW CARD. In the instance of an inadvertent header, play will start over from the point of contact.
- M. No player shall Slide at an opponent (i.e., sliding tackle). A player who attempts to slide tackle an opponent will receive an automatic Yellow Card. Sliding to keep a ball from going out of bounds, or to stop a ball that does not endanger another player is not a foul. It will be up to the referee's discretion as to whether or not a player's participation from the ground is dangerous.
