# WEST NASHVILLE SPORTS LEAGUE SPONSORSHIP INFORMATION

**Serving the Nashville Community Since 1997**

**www.wnsl.org**

Dear Prospective Sponsor,

The West Nashville Sports League is seeking your support in providing Basketball, Baseball, Flag Football, Soccer and Cheerleading to the youth of Middle Tennessee.

Since 1997, WNSL has been an athletic outlet to thousands of area boys and girls. As a youth sports league, we take great pride in the achievements of this program, which operates at the highest level and is a strong catalyst in keeping the youth of our community on the playing field. The WNSL mission is to teach children the fundamentals of basketball, baseball, flag football, soccer and the art of cheerleading while promoting discipline, dedication and team work in a fun, safe, and friendly environment.

One of the largest obstacles our organization faces is providing quality playing and learning experiences for many participants who are on a limited budget. The ability to meet the cost of operating and maintaining a quality program would not be possible without you, our community leaders.

Your donation will help fund first-rate manpower, provide quality equipment and playing fields, and enable us to keep our costs low so children of all social and economic backgrounds can participate.

Your contribution will make a difference and become a part of our community's effort to do something very positive for our youth and future leaders. The benefits are the young adults who will have been given the opportunity to learn lessons in self-worth, character, fair play, sportsmanship, discipline, team spirit, hard work and unity.

Respectfully,  
 Scott Tygard  
 President, West Nashville Sports League

# WNSL Flag Football League (FFL) Frequently Asked Questions

If you have a question, start here. If you still cannot find your answer on this page, e-mail [scott@wnsl.net](mailto:scott@wnsl.net)

## Sign-Ups, Cost and Division Questions

**When can we register?** Registration is open through Early August.

**How do I register and pay online?** Go to [www.wnsl.org](http://www.wnsl.org) and click on one of the sports you would like to register for. Once on a sport-specific page, log into your WNSL account (see the Login button on the right side of the screen). Once logged into your account, click "Register Now" in the top left corner to select the sport you would like to register your child for. If you do not have a WNSL account, click the "Register" button on the right of the screen to register/create an account. You will then "Add Participants" to your account and select which sport(s) you would like to register them for.

**What if I do not want to register online?** You can download a paper registration form on the Flag Football page at [www.wnsl.org](http://www.wnsl.org). You may mail it in with a check but there will be a \$10 paper registration fee as indicated on the application.

**What if I forget to register?** After the initial registration deadline the price to register increases and is only available on a case by case basis. Players will be added to existing teams or new teams created if the need arises.

**Do you give refunds if my child decides not to participate?** Refunds are only given with a Doctor's excuse and cannot play due to injury (minus a \$35 processing fee). Registrations may be transferred to another sport up until the time the uniforms are ordered. After uniforms are ordered no refunds or transfer of registration fees are available. Make sure you register for the correct league.

**What are the age divisions?** We have 9 divisions:

Pre-Kindergarten (Pre K) (May be combined with K Division)

Kindergarten

1A - 1st Grade

2A -- 2nd Grade

3A -- 3rd Grade

4A -- 4th Grade

5A -- 5th/6th Grades

Thunder -- 7th/8<sup>th</sup>/9<sup>th</sup> Grades

High School - 10<sup>th</sup>/11<sup>th</sup> Grades

**Why did the divisions change from being based on age to being based on grade?** Due to the amount of requests for players to be transferred in order to play with classmates, the WNSL decided to base the divisions on grade level instead of age. However, the WNSL holds the right to move a team up a division, if two or more of its players are much older than the average age of the players in the division.

**Are players allowed to play up or play down?** Players are allowed to play up a division. However, players must have approval from Scott Tygard ([scott@wnsl.net](mailto:scott@wnsl.net)) in order to play down.

**If my player is not on a preformed team, how and when will I know which team he/she is on?**

Individuals not on a team (Free Agents) will be contacted by their coach following the Coaches' Meeting in Mid-August

**Can a player play on two teams?** A player cannot play on two teams in the same grade. A player may, however, pay two registration fees and play up for his second team. Example: A third grader may play on both a third grade and a fourth grade team.

**Can girls play?** Yes. The FFL league is Co-Ed.

**How much does it cost?** Varies from \$125-\$145 depending on Division.

**What is included in the registration fees?** Jamboree on August 22nd, 7 games, end of season tournament, referees, insurance, newsletter, website, excellent fields, all equipment such as pylons, flags, and sportsmanship trophies for some teams.

**How do you form teams?** The WNSL is open to full teams, partial teams and free agents. All players are welcome to request a coach on their registration, however, this is just a request -- there is no guarantee that the participant will be placed on the team they request. We try our best to accommodate requests, however, coaches with pre-formed or partially formed teams submit rosters with the players they intend on playing on their team. We go by this roster first. Players not on a pre-formed team are free agents and we work to place them on a team with classmates/players from their area or create an entire team from free agents.

**How many players are on a team?** Pre-K & K play 5 on 5, so they will have 6-8 players on average to a team. All other divisions play 7 on 7 and average 8-10 players per team.

### **Coach-Related Questions**

**Who coaches the teams in the FFL?** The WNSL relies on volunteers to coach. Some teams bring coaches with them and often parents coach. If you are interested in coaching or being an assistant you may indicate this on the "Volunteer" portion of the registration site.

**How are coaches certified?** Coaches are screened at the Coaches' Meeting and sign a "Code of Conduct" as well as complete a background check.

**How does a parent notify the league that he or she would like to coach or be a team parent?** During the online registration process there is a "Volunteer" page. Click on the volunteer position you would like (Coach, Assistant Coach or Team Parent) and fill out the requested information. You will then be assigned to your child's team once the registration process is closed.

**Once I register, how long will it be before I hear from a coach?** The coaches' meeting is held in mid-August to finalize all rosters. After that meeting a coach will be in touch with you.

**How do you come up with team names?** The coaches determine team names. Team names can be NFL teams, generic names (such as Road Runners) or school names (with permission from school).

## **Weather, Fields, Opening Day, and FFL Basics**

**What type of flag football league does the WNSL offer?** The WNSL feels all youth sports should be recreational in nature yet also competitive. The sports program is not a babysitting service but it is a league that does not encourage a win-at-all-cost attitude. Sportsmanship, camaraderie, fun and learning the game are the most important aspects of our flag football league. The WNSL feels that the casual recreational player as well as the more serious competitive player will both be accommodated. In short, the WNSL wants players of all different levels to have fun, excel and feel good about what they are doing.

**How long does the season last?** The flag football season kicks off in early September (See the site for details) with an Opening Day Jamboree and an Opening Day Photo Day. Games are played every Saturday throughout the day with the season ending in early November with Music City Flag Bowl.

**What is the Opening Day ceremony and when is it?** The Opening Day is a fun-filled day surrounding their first game. Players will receive their uniform, take individual and team photos and be able to participate in various activities around the park.

**Does the league provide photos for teams and individuals?** A photographer is present at the Opening Day celebration to take team photos and individual photos. Each team is given a time slot on that day to get their photos taken. The photographer has various packages available. Payment is due on the day the photos are taken and coaches are notified when photos are ready to be picked up. Photo package options are given out at the Coaches' Meeting so parents can become familiar with available options.

**Where are the games played?** All games are played at the Warner Park Complex (Vaughn Road and Old Hickory Blvd.)

**What happens in case of inclement weather? Are games rescheduled? How will a parent/coach know if games are canceled?** Due to Metro Parks policy, games cannot be played when there is standing water on the fields. This is to protect the fields as well as protecting the players from injury. Games may be rescheduled for weekdays. If games are canceled there will be a notice on the homepage of [www.wnsl.org](http://www.wnsl.org) as well as a message stating games have been cancelled at 615.376.4700.

**When and how often do teams practice?** Teams usually practice once per week, however, practice frequency and location is determined by each coach. Official WNSL practice begins after the Coaches' Meeting. Practice time slots will be given out at the Coaches' Meeting.

**How many players are on a team?** The WNSL flag football league is 7 vs. 7. (Pre-K/K Plays 5 vs. 5) Ten players is an average number per team, though some coaches may choose to have more or less.

**What equipment does my player need?** Players are required to have a mouthpiece and shorts with NO POCKETS. Cleats for youth football (Plastic spikes) are recommended but tennis shoes are OK.

**Does WNSL provide referees for games?** Yes. Trained referees are provided for every game played.

**Are there different rules for different divisions?** Yes, review the rules on the Flag Football page of [www.wnsl.org](http://www.wnsl.org).

**Does WNSL post standings?** No, the WNSL does not provide standings for we do not want to promote over the top competitiveness and focus on the "Love of the Game" instead. If a tournament is held at the end of the season we will post scores for these games.

**Is there a Postseason Tournament?** Yes. Since there are no regular season standings, the tournament matchups are created through a random draw at the end of the season.

## **Sponsorships and Financial Assistance**

**Why is each team asked to have a \$250 Team Sponsor?** Team Sponsors help cover the cost of scholarships, field maintenance and keep registration fees as low as possible.

**What does the \$250 fee include?** The team sponsor logo will be present on that team's jersey. They are also welcome to set up a booth/table at the Opening Day to pass out promotional items. In addition, they will have their logo in the Flag Football times newsletter distributed to all participants.

**What if I am interested in sponsoring a team or the league?** Please let your participant's coach know and then contact [scott@wnsl.net](mailto:scott@wnsl.net).

**Are there any opportunities for corporate sponsorships (other than the team sponsorships)?** Yes. The WNSL offers corporate sponsorships for each individual sport, as well as the overall league. We also offer corporate sponsorships of our preseason and postseason basketball tournaments. You can see all opportunities under the sponsorship link at [www.wnsl.org](http://www.wnsl.org).

**Does the WNSL provide financial assistance or scholarships?** Yes. If you are in need of a full or partial scholarship, fill out and submit the financial assistance information at [www.wnsl.org](http://www.wnsl.org). Someone will be in touch in regards to the amount of financial assistance available for your participant.

## **Miscellaneous Questions**

**Are end of season trophies presented to the league champions/runners up?** The Flag Football League does not award Championship and Runner-Up trophies to teams. We like to keep the focus on purely the Love of the Game. We do give out "Love of the Game" sportsmanship trophies to teams that exemplify good sportsmanship throughout the season. Medallions are given out to players if requested by the head coach.

**What is the difference between WNSL and other flag football leagues?** The West Nashville Sports League is a top-notch youth sports organization that emphasizes all players valuing the pure love-of-the-game over a winning-at-all-costs attitude. We work hard to keep everyone heavily involved in the community by promoting and being involved in local organizations, colleges and events. Providing fun Opening Day kickoff events, the best field conditions possible, certified referees, excellent communication to all participants, parents and coaches and an informative and user friendly website, the WNSL goes above and beyond to create a memorable and positive experience for all involved.

# WNSL COACH Frequently Asked Questions

*If your question is not answered here, please email [scott@wnsl.net](mailto:scott@wnsl.net)*

## **How Do I Volunteer as a Coach?**

Interested coaches can complete their volunteer profile in their WNSL account. On the home page of your account, click the Volunteer button in the left menu. Follow the prompts to complete your registration. The volunteer registration can also be completed when you register your player for the season.

## **Are there Any Other Requirements to Be a Head Coach?**

All coaches are asked to complete a background check and complete and turn in a team information packet (called the Coaching Addendum).

## **When and How Do I Turn in My Roster?**

Send your full or partial roster to the team builder for your sport before registration closes. If you need free agents added to your partial roster, please include this in your email.

Email Your Roster to <a href="mailto:doug@wnsl.net">doug@wnsl.net</a>	Email your Roster to <a href="mailto:carly@wnsl.net">carly@wnsl.net</a>
Baseball	Indoor Soccer
Flag Football	Golf
Winter Basketball	Summer Basketball

## **When Will I Get My Final Roster?**

Final rosters will be handed out at the coach meeting after registration closes. Check the Coach Corner on your sport page for the coach meeting time and location.

## **Can I See Who Has Signed Up For My Team Before the Coach Meeting?**

Yes. To see who has already registered, go to the team rosters tab and select your sport and your division from the drop-down menus. Find your name in the team listing and click the plus sign. This will show you the players who are currently registered for your team, and will update as we assign newly registered players to your roster.

## **If I have a Full Roster, Will You Add Free Agents?**

If you send us a full roster, we will not add free agents. If we have a large amount of free agents in need of teams, we may request that you add players to your roster at the coach meeting.

### **Can I Order Personalized Jerseys for My Team? When Do We Turn in Jersey Personalization Orders?**

Some of our sports (Spring Baseball, Fall Baseball, Fall Flag Football) offer jersey personalization. If this is an option for your sport, you will turn this information in at the Coach Meeting.

### **Does My Team Require A Team Sponsor?**

ALL Spring Baseball and Fall Flag Football teams are required to have a \$250 team sponsor. Team sponsorships help pay for field maintenance, additional staffing, and cover scholarship players. Other teams are welcome to have a team sponsor but it is not required.

### **When Do I Have to Turn in My Team Sponsor Information?**

As soon as possible. Practice times are handed out based on when we receive your team sponsor information. Team sponsor information is due by your sport's coach meeting.

### **What Happens if I Do Not Have a Team Sponsor?**

Scott will work with you on this but we ask for all teams in Spring Baseball and Fall Flag Football to try to have a team sponsor. As long as a Coach has tried to procure a team sponsor the WNSL will work something out. Many parents and businesses like to help non profit leagues out and coaches may find this sponsor procurement not as hard as they think. In short, not having a team sponsor will not keep a team from playing in the league.

### **When Do We Get Practice Times?**

Baseball and Flag Football teams are provided one practice time per team. These practice times will be decided at the coach meeting for your sport. Basketball and Soccer teams are responsible for finding their own practice location.

### **Am I Able to Make Schedule Requests for Games?**

Yes, coaches are able to make schedule requests in their team info packet that each coach is given at the coach meeting.

**Revised June 28, 2020**

Note: These guidelines will be submitted to Metro Parks for review and approval. These guidelines are subject to change but hopefully these guidelines are very close to what we will follow.

## **WEST NASHVILLE SPORTS LEAGUE GUIDELINES FOR COVID-19**

1. All local & state health official guidelines will be followed. These WNSL guidelines will be approved by Metro Parks and Harpeth Hills Church of Christ.
2. No handshaking/celebrations: Players and coaches should refrain from handshakes, high fives, fist/elbow bumps, chest bumps, group celebrations, etc.
3. Only three (3) players MAXIMUM in the dugout at one time (on deck and in the hole), while also following 6' social distancing guidelines at all times and these players will be monitored by a Coach or a Parent. Remaining players & coaches will most likely be placed in the bleachers with social distance. If the bleachers area does not work then players will be stationed down the fence lines. Players will be seated or stand no less than 6' apart and must have at least one (1) Coach or Parent to watch over players in this area at all times. Flag Football players huddle will be a circular huddle with 6 feet of social distancing. Football players on the sideline must remain 6 feet apart and this social distancing must be monitored by a coach or parent from each team.
4. Players should limit any sharing of playing equipment, bats, gloves, fielder's mask, catcher's gear, helmets, water bottles etc. Baseballs will be cleaned whenever possible (in between innings) and an adequate supply of baseballs will be on hand. **Flags will be sanitized before each game by all players. ALL FOOTBALL TEAMS MUST BRING THEIR OWN SANITIZER TO CLEAN THEIR FLAGS BEFORE EACH GAME. This will be closely monitored by the coach for each team and the WNSL/officials will be monitoring this cleaning process before each game.**
5. **WNSL EMPLOYEES MUST WEAR A MASK/FACE COVERING AT THE PARK.** If a player chooses to wear additional PPE, they may do so as long as it does not compromise the safety of other players. Umpires, coaches and players may wear masks on the field but this is not a requirement.
6. Hand sanitizer stations will be set up in many strategic locations around the Park.
7. Parents should be advised to have backup supplies in the player's equipment bag for use when needed and their own marked water bottle or sports drink. No team or dugout/sideline coolers are permitted.
8. Cleaning and sanitation of common areas like dugouts, bathrooms, concession stands or similar areas between games or activities will be conducted. Teams should be advised to clean out and wipe down dugout or other field areas that they were in prior to leaving the playing field. Oncoming teams will be given the opportunity to clean their dugout before their players enter. The necessary cleaning supplies

will be provided for as long as the cleaning supplies last. TEAMS ARE ENCOURAGED TO BRING THEIR OWN SANITIZER MATERIALS.

9. Social distancing of 6 feet is a requirement for everyone outside the ball fields and around the football fields. Football fields will be spaced out as much as possible to allow as much area in between the fields so as to give each field its own space for maximum social distancing.

10. Game schedules will allow for fields to be staggered in start/finish times to minimize the number of people in the area of the fields. The schedule will allow for gaps (at least 15 minutes) in between games to help limit the number of people at the Park/Church at one time. Teams must exit the dugout and the field at the time the game time expires and the oncoming teams will enter after all teams are cleared of the area and the dugouts have been cleaned.

11. Spectators attending games should follow 6' social distancing guidelines at all times. **No spectators will be allowed to sit in the bleachers and must sit/stand by the outfield fences.** Handicap spectators may use the area behind the home plate areas. Spectators around the football fields must maintain the 6 feet social distancing.

12. Any player, or person not feeling well, should not attend games or practices.

13. Coaches should help to educate players on the hygiene/handwashing/touching of the face suggested guidelines.

14. Proper signage throughout the park on guidelines will be provided by the league and will be in plain view.

15. Pregame conference will be limited to one (1) Coach per team and the Umpire. Social distancing of 6' is required.

16. Batting lineup changes should be limited to communicating from a distance that maintains the 6' social distancing guidelines at all times.

17. For baseball, for Minors, Majors and Prep two umpires will be utilized. One umpire will officiate the Rookies games. Two referees will be utilized in flag football. The football referees will be on the sidelines during play.

18. Concession Stands will be open. All Concession Stand employees must wear masks and gloves. No shared food items will be available.

19. Pavilion areas/picnic tables will be utilized but no loitering please. Please follow the social distancing guidelines in the pavilion areas.

20. No post game team gatherings/parties/shared snacks will be allowed at the Park/Church.

21. Bathrooms will be cleaned and sanitized every few hours (depending on usage).

22. **Pets are discouraged in the Park/Church due to social distancing guidelines. If Pets become an issue with social distancing the WNSL has the right to change the guideline and ask for pets to stay away from the playing areas.**

23. All WNSL employees, umpires and referees will be screened before their work and their temperatures taken.

24. If the cages become an area of congestion and social distancing becomes a problem the cages will be closed.

25. Anyone found in repeated violations of these guidelines will be asked not to take part in future sports activities at the Park for this season.

26. For injuries, coaches and umpires must follow the WNSL concussion/head injury policy. Coaches, umpires and off the field help must wear a mask when attending to an injured player. If there is an open wound then gloves/mask must be worn by those attending to the player.

27. The WNSL management reserves the right to change any of the guidelines at any time to ensure the utmost safety and well-being of the players, the officials, the spectators and workers are first and foremost. If the guidelines are not strict enough or not being followed and the WNSL management feels like things need to be tightened up, WNSL management will do just that- tighten up the guidelines for safety and well-being.

## Dear Flag Football Families --

Here at WNSL, we continually strive to be a community-focused sports league. Aside from positively developing our players on the field, we also partner with organizations around town to offer an assortment of activities during the year that we feel can be beneficial to your family.

One such activity we're proud to announce is WNSL Day at Vanderbilt Stadium. On Nov. 12, the Vanderbilt Commodores football team takes on the Kentucky Wildcats in SEC action. The school has offered to discount tickets from their face value to any WNSL player interested in attending as well as giving kids a chance to high-five the Vandy players as they run onto the field. How awesome is that?! If you're interested in attending, [fill out this form](#) or go to [www.wnsl.org](http://www.wnsl.org) and find it on the Flag Football page. We hope to see you there!

# UNIFORM DISTRIBUTION INFORMATION

## **Wearing Own uniforms**

A team may wear their own uniform but you must declare this at the Coaches' Meeting. There is no reduction in registration fee for doing this. Your team's uniform expenses will go toward scholarship players or teams.

## **One representative picks up uniforms**

Uniforms will be distributed on the first day of games (August 29th) beginning at 7 a.m. Only **ONE TEAM REPRESENTATIVE** will be allowed to pick up the uniforms.

## **Coach Jerseys**

Coach and parent jerseys may be ordered/purchased by August 15.

## **Jersey count**

You will receive the number of jerseys equivalent to the number of players on your roster. Each player registered for a specific size during the registration process and that is the size that will be in the bag. A replacement jersey costs \$25 with no guarantee that it is in stock.

## UNIFORM AND EQUIPMENT NOTES

- 1) **Mouthpieces must be worn at all times.** A player may not participate without one.
- 2) **Shorts or pants may not contain pockets.** They must also be a different color than player's flags.
- 3) **Coaches on the field must wear a matching team jersey or the provided WNSL Flag Football shirt dri-fit** – No exceptions!

**Flags are picked up at the Coaches' Meeting and you are responsible for returning them at the end of the season.**

# FREE AGENTS ON YOUR TEAM?

If one or more players have been added to your roster, please notify that player's parents immediately via phone and e-mail.

If a problem arises with the new player(s) -- for instance, being unable to practice during your scheduled time or living too far away from practice locations -- **please contact Scott (scott@wnsl.net) immediately** so that we may make other arrangements.

Thank you for your cooperation in these matters

# LAZY PARENTS OR LAZY PLAYERS

When players do not show up for practices without a good reason, advise the parents that their child's playing time may be affected. If it becomes a pattern, contact Scott (scott@wnsl.net) with proper documentation and we will determine the best course of action, which will likely include an OK to cut that player's playing time. We will inform the parents of this decision.

Please note that submitting these requests and proper documentation must be done during the week and may not take place on game day. The WNSL will not tolerate cutting a player's playing time for "a lack of practice" without these materials. Thank you for your cooperation on this matter.

# ABSENT PLAYERS LEAVING YOU SHORT?

Occasionally, a player may be added to a roster for a game due to low numbers. The added player must be eligible to participate in the division in question. If you need to add a player, please e-mail Scott (scott@wnsl.net) at least two days prior to the game. These changes may not be made on game day!

# REFEREE COMPLAINTS

The West Nashville Sports League understands that problems with officiating may occur during the course of the season and we want to hear about it. If you wish to file a complaint, you MUST follow the procedure below:

**Note that all complaints must come from the Head Coach or Assistant Coach.  
NO COMPLAINTS FILED BY PARENTS WILL BE REVIEWED.**

Send an e-mail to [Roger@wnsl.net](mailto:Roger@wnsl.net) with the following information:

# WEATHER CANCELATIONS

For weather cancelations:

1. There will be a notice on the [www.wnsl.org](http://www.wnsl.org) website,
2. A phone message on the league number -- 615.376.4700
3. A message on the League's Twitter feed (@WNSLonline), and Facebook ([www.facebook.com/Wnslonline](http://www.facebook.com/Wnslonline))
4. We will try to send out an email out to all participants.

No messages or notice means games are on as scheduled.

If your game is rained out, games will be rescheduled as quickly as possible -- likely in the first available slot. Please make sure to check your schedule early and often after a rainout!

The league will do its best to reschedule all rained out games.

- I will make sure my child is participating voluntarily in the sport and not forced to because of my wishes.
- I will strive to learn the rules and support the officials in their enforcement of them.
- I will support the goals of youth sports, including skill development, emphasizing fundamentals, building teamwork and encouraging fair play.
- I will support and communicate with the volunteer coaches, encouraging them to uphold the Coach's Code of Conduct.
- I understand that youth sports are not babysitting services. I will offer to participate as a coach, team liaison or parent, or provide transportation.
- I will demand a healthy environment, refraining from alcohol, drug or tobacco use at all sporting events. I will insist that all other participants display the same restraint.
- I will monitor game and practice venues for safety.
- I will teach my child to respect other players, coaches, referees and spectators, regardless of their race, creed, gender or ability.
- I will strive to make youth sports fun. After all, that's why my child signed up!

# SCHEDULE AND STANDINGS INFORMATION

The season schedule will not be published until late-August. When posted, it will appear on the league website at the top of the Flag Football page.

We will not post standings or records due to the league's mission of promoting a love of the game rather than a love of winning.

## **Middle season standings adjustments**

If your team is 0-4 or 4-0 at midseason, you may be moved up or down a division in an attempt to promote evenly-matched competition. Please inform your parents of this up front as the WNSL encourages players, coaches and everyone involved to be gracious in both victory and defeat.

## **End of season adjustments**

The WNSL reserves the right to alter the schedule in the final two weeks of the season if needed. This will occur, once again, to promote competitive balance. If we see a major mismatch, teams will be moved around in order to create equal competition.

## **Please make a habit out of checking your schedule multiple times each week**

Though we will do everything in our power to give a week's notice if your original game time has been moved, please double check your schedule each and every week.

## **Coaches leading multiple teams**

Please make sure you list all the teams you are coaching on the request forms provided in the Addendum. We will do what we can to make the scheduling work for you. The league may not always be able to accommodate, so have your assistants prepared. No guarantees but we will do our best.

## **Teams unable to make a game**

If you cannot field a team on a given week, please inform the opposing coach and the league and make a good-faith effort to find a replacement team for your opponent to compete against. The coaches' contacts are listed on the "Rosters" tab on the WNSL webpage after logging into your account. Note that you can only view the coaches' contacts information if you are logged into your account.

## **Forfeits**

Forfeits will not be tolerated. Coaches should CONTINUOUSLY check their schedule. Please communicate with your parents in advance to ensure player availability.

WNSL has begun conducting background checks for all HEAD coaches. *Please keep in mind that this is a different process from the volunteer registration at WNSL.org.*

# CONCUSSION

## INFORMATION AND SIGNATURE FORM FOR COACHES

(Adapted from CDC "Heads Up Concussion in Youth Sports")

**Read and keep this page.  
Sign and return the signature page.**

### THE FACTS

- A concussion is a **brain injury**.
- All concussions are **serious**.
- Concussions can occur **without** loss of consciousness.
- Concussion can occur **in any sport**.
- Recognition and proper management of concussions when they **first occur** can help prevent further injury or even death.

### WHAT IS A CONCUSSION?

Concussion is a type of traumatic brain injury caused by a bump, blow or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move quickly back and forth, causing the brain to bounce around or twist within the skull.

This sudden movement of the brain can cause stretching and tearing of brain cells, damaging the cells and creating chemical changes in the brain.

### HOW CAN I RECOGNIZE A POSSIBLE CONCUSSION?

To help spot a concussion, you should watch for and ask others to report the following two things:

1. A forceful bump, blow or jolt to the head or body that results in rapid movement of the head.
2. Any concussion signs or symptoms such as a change in the athlete's behavior, thinking or physical functioning.

Signs and symptoms of concussion generally show up soon after the injury. But the full effect of the injury may not be noticeable at first. For example, in the first few minutes the athlete might be slightly confused or appear a little bit dazed, but an hour later he or she can't recall coming to the practice or game.

You should repeatedly check for signs of concussion and also tell parents what to watch out for at home. Any worsening of concussion signs or symptoms indicates a medical emergency.

## SIGNS AND SYMPTOMS

SIGNS OBSERVED BY COACHING STAFF	SYMPTOMS REPORTED BY ATHLETE
<ul style="list-style-type: none"> <li>• Appears dazed or stunned</li> <li>• Is confused about assignment or position</li> <li>• Forgets an instruction</li> <li>• Is unsure of game, score or opponent</li> <li>• Moves clumsily</li> <li>• Answers questions slowly</li> <li>• Loses consciousness, even briefly</li> <li>• Shows mood, behavior or personality changes</li> <li>• Can't recall events prior to hit or fall</li> <li>• Can't recall events after hit or fall</li> </ul>	<ul style="list-style-type: none"> <li>• Headache or "pressure" in head</li> <li>• Nausea or vomiting</li> <li>• Balance problems or dizziness</li> <li>• Double or blurry vision</li> <li>• Sensitivity to light</li> <li>• Sensitivity to noise</li> <li>• Feeling sluggish, hazy, foggy or groggy</li> <li>• Concentration or memory problems</li> <li>• Confusion</li> <li>• Just "not feeling right" or "feeling down"</li> </ul>

### WHAT ARE CONCUSSION DANGER SIGNS?

In rare cases, a dangerous blood clot may form on the brain in an athlete with a concussion and crowd the brain against the skull. Call 9-1-1 or take the athlete to the emergency department right away if after a bump, blow or jolt to the head or body the athlete exhibits one or more of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless or agitated
- Has unusual behavior
- Loses consciousness (*even a brief loss of consciousness should be taken seriously*)

### WHY SHOULD I BE CONCERNED ABOUT CONCUSSIONS?

Most athletes with a concussion will recover quickly and fully. But for some athletes, signs and symptoms of concussion can last for days, weeks or longer.

If an athlete has a concussion, his or her brain needs time to heal. A repeat concussion that occurs before the brain recovers from the first – usually within a short time period (hours, days, weeks) – can slow recovery or increase the chances for long-term problems. In rare cases, repeat concussion can result in brain swelling or permanent brain damage. It can even be fatal.

### HOW CAN I HELP ATHLETES TO RETURN TO PLAY GRADUALLY?

An athlete should return to sports practices under the supervision of an appropriate health care professional. When available, be sure to work closely with your team's certified athletic trainer.

Below are five gradual steps you and the health care professional should follow to help safely return an athlete to play. Remember, this is a gradual process. These steps should not be completed in one day, but instead over days, weeks or months.

**BASELINE:** Athletes should not have any concussion symptoms. Athletes should only progress to the next step if they do not have any symptoms at the current step.

**STEP 1:** Begin with light aerobic exercise only to increase an athlete's heart rate. This means about five to 10 minutes on an exercise bike, walking or light jogging. No weightlifting at this point.

**STEP 2:** Continue with activities to increase an athlete's heart rate with body or head movement. This includes moderate jogging, brief running, moderate-intensity stationary biking, moderate-intensity weightlifting (reduced time and/or reduced weight from your typical routine).

**STEP 3:** Add heavy non-contact physical activity such as sprinting/running, high-intensity stationary biking, regular weightlifting routine and/or non-contact sport-specific drills (in three planes of movement).

**STEP 4:** Athlete may return to practice and full contact (if appropriate for the sport) in controlled practice.

**STEP 5:** Athlete may return to competition.

If an athlete's symptoms come back or she or he gets new symptoms when becoming more active at any step, this is a sign that the athlete is pushing himself or herself too hard. The athlete

should stop these activities and the athlete's health care provider should be contacted. After more rest and no concussion symptoms, the athlete should begin at the previous step.

## PREVENTION AND PREPARATION

Insist that safety comes first. To help minimize the risks for concussion or other serious brain injuries:

- Ensure athletes follow the rules for safety and the rules of the sport.
- Encourage them to practice good sportsmanship at all times.
- Wearing a helmet is a must to reduce the risk of severe brain injury and skull fracture. However, helmets are not designed to prevent concussion. There is no "concussion-proof" helmet. So even with a helmet, it is important for kids and teens to avoid hits to the head.

Check with your league, school or district about concussion policies. Concussion policy statements can be developed to include:

- The school or league's commitment to safety
- A brief description of concussion
- Information on when athletes can safely return to school and play.

Parents and athletes should sign the Parent Information and Signature Form at the beginning of the season.

## ACTION PLAN

## WHAT SHOULD I DO WHEN A CONCUSSION IS SUSPECTED?

No matter whether the athlete is a key member of the team or the game is about to end, an athlete with a suspected concussion should be immediately removed from play. To help you know how to respond, follow the Heads Up four-step action plan:

### **1. REMOVE THE ATHLETE FROM PLAY.**

Look for signs and symptoms of a concussion if your athlete has experienced a bump or blow to the head or body. When in doubt, sit them out!

### **2. ENSURE THE ATHLETE IS EVALUATED BY AN APPROPRIATE HEALTH CARE PROFESSIONAL.**

Do not try to judge the severity of the injury yourself. Health care professionals have a number of methods they can use to assess the severity of concussions. As a coach, recording the following information can help health care professionals in assessing the athlete after the injury:

- Cause of the injury and force of the hit or blow to the head or body
- Any loss of consciousness (passed out/knocked out) and if so, for how long
- Any memory loss immediately following the injury
- Any seizures immediately following the injury
- Number of previous concussions (if any)

### **3. INFORM THE ATHLETE'S PARENTS OR GUARDIANS.**

Let them know about the possible concussion and give them the Heads Up fact sheet for parents. This fact sheet can help parents monitor the athlete for signs or symptoms that appear or get worse once the athlete is at home or returns to school.

### **4. KEEP THE ATHLETE OUT OF PLAY.**

An athlete should be removed from play the day of the injury and until an appropriate health care provider\* says he or she is symptom-free and it's OK to return to play. After you remove an athlete with a suspected concussion from practice or play, the decision about return to practice or play is a medical decision.

\* Health care provider means a Tennessee licensed medical doctor, osteopathic physician or a clinical neuropsychologist with concussion training.

## INFORMATION AND SIGNATURE FORM FOR COACHES

Public Chapter 148, effective January 1, 2014, requires that school and community organizations sponsoring youth athletic activities establish guidelines to inform and educate coaches, youth athletes and other adults involved in youth athletics about the nature, risk and symptoms of concussion and head injury.

(Adapted from CDC "Heads Up Concussion in Youth Sports")

\_\_\_\_\_ I have read the *Concussion Information and Signature Form for Coaches*  
Initial

\_\_\_\_\_ I should not allow any student-athlete exhibiting signs and symptoms consistent with concussion to  
Initial return to play or practice on the same day.

**After reading the Information Sheet, I am aware of the following information:**

\_\_\_\_\_ A concussion is a brain injury.  
Initial

\_\_\_\_\_ I realize I cannot see a concussion, but I might notice some of the signs in a student-athlete right  
Initial away. Other signs/symptoms can show up hours or days after the injury.

\_\_\_\_\_ If I suspect a student-athlete has a concussion, I am responsible for removing him/her from activity  
Initial and referring him/her to a medical professional trained in concussion management.

\_\_\_\_\_ Student-athletes need written clearance from a health care provider\* to return to play or practice  
Initial after a concussion. \* (Tennessee licensed medical doctor, osteopathic physician or a clinical neuropsychologist with concussion training)

\_\_\_\_\_ I will not allow any student-athlete to return to play or practice if I suspect that he/she has received  
Initial a blow to the head or body that resulted in signs or symptoms consistent with concussion.

\_\_\_\_\_ Following concussion the brain needs time to heal. I understand that student-athletes are much  
Initial more likely to sustain another concussion or more serious brain injury if they return to play or practice before symptoms resolve.

\_\_\_\_\_ In rare cases, repeat concussion can cause serious and long-lasting problems.

# WNSL FLAG FOOTBALL LEAGUE RULES 7/22/2020

## SPORTSMANSHIP

- Coaches are directly responsible for team members and spectators supporting their team before, during and after the game.
- If the game referees or field supervisor witness any acts of tackling, elbowing, cheap shots, blocking or any unsportsmanlike conduct, the game will be stopped and the player or players involved may be removed for the remainder of the game. FOUL PLAY WILL NOT BE TOLERATED.
- Any trash talking or taunting intended to embarrass, ridicule or demean others under any circumstance will not be tolerated. First offense is a warning and the second offense is ejection from the game.
- League rules require fair playing time for all players.
- Smoking/ Vaping is NOT ALLOWED anywhere on the fields or other spectating areas.

## EQUIPMENT/ UNIFORMS

- All participants will receive a football jersey that must be worn.
- Each team will be provided flag belts for games. Flags must be a different color from the shorts.
- Rubber cleats are optional; metal spikes are NOT allowed.
- All players must wear a protective mouthpiece, no exceptions.
- Coaches must return all equipment after the last game.
- Pockets are NOT permitted on shorts or pants. Players will not be allowed onto the playing field until properly outfitted.
  - Exception: players may tape over pockets or belt loops, but this is not preferred. Time will not be stopped for a player to tape over pockets or belt loops, and if the tape continuously falls off then the player may be subject to sitting out.
- The WNSL will have approved game balls ready at each field. A team may opt to use its own ball on offense, provided it is of proper size, standard inflation and is in good condition. Each ball must be approved by the game's referee before the game begins.
- Size of Field—For Divisions playing 7 vs. 7, the field will be 30-yds. wide and 70-yds. long, including the end zones. For divisions playing 5 vs. 5, the field will be 25-yds. Wide and 60-yds. long, including end zones. Field diagrams are provided on WNSL website.
- Football sizes:
  - PK/K,1A,2A,3A—Pee Wee ball
  - 4A, 5/6A ----- Junior ball
  - Thunder & HS ----- Youth ball
- NOTE: Teams may choose to play with a larger ball, but not a smaller regulation ball.

## START OF GAME

- The game will begin with a coin toss to determine possession. The team winning the coin toss chooses to play offense or defense in the first half. The team losing the coin toss determines which goal it wants to defend in the first half. Whichever team begins on defense in the first half will start on offense in the second half and vice versa. The directions of the two teams will also be reversed in the second half. Neither team may start both halves with the football, therefore, if you would like the ball first in the second half and win the coin toss, you should elect to play defense first.
- The ball will be placed at the 10-yard line (no kickoffs)
- Time will be kept by the referees.
- Game time is forfeit time...arrive early!

## TIMEOUTS

- Each team has 2 one-minute timeouts per half.
- Unused timeouts will not carry over to the second half.
- Officials may stop the clock at their discretion for injuries, etc.

## GAME PLAY

- WNSL plays a 7-on-7 format for all divisions except Pre-K and Kindergarten, which are 5-on-5. Each team must consist of the minimum of six players (4 for PK and K) at all times. Failure to field required number of players will result in a forfeit and the teams will divide up and play a scrimmage game, which will be officiated by the referees.
- Two coaches are allowed on the field per team for 1A and 2A. One coach is allowed on the field per team for 3A, 4A, 5A/6A and Thunder divisions. All coaches must stay out of the way! Coach interference penalties will be called on those inhibiting the game.
- A game consists of two 20-minute halves with a running clock. The clock stops only for timeouts and injuries during the first 19 minutes (first half) 18 minutes (second half). The clock will stop for all qualifying dead balls for the final 1-minute of the first half and the final 2-minutes of the second half. (Refer to Game Clock: End of First Half and End of Game).
- There is no overtime in regular season play, however, if a touchdown is scored as time expires and the extra point is going to make a difference in the outcome, the team will be given the opportunity to attempt the extra point.
- Play Clock for PK, K, 1A, 2A & 3A is 45 seconds; for 4A, 5A/6A & Thunder it is 30 seconds.
- Each down sequence lasts four plays (Five plays for PK, K, 1A and 2A). Once the offensive team crosses midfield, it has 4 plays (5 plays for PK, K, 1A and 2A) to score a touchdown.
- On a 4th down (5th down for PK, K, 1A and 2A), the offense may either "punt" ----- moving the ball to opponents' 10-yard line (5 yard line if punting team is beyond mid-field) --- OR it can go for it. If the offense does not score or make a first down, the ball changes possession at the point where that play is marked dead.

## **RUNNING**

- The quarterback for any given play is the first player to touch the ball after the snap.
- The quarterback may only run once per four-down sequence. During all other plays, the QB may not run the ball until after he gives complete control of the ball to another teammate.
- The center may only advance the ball after he has snapped it to the quarterback. All handoffs to the center must be wrapped around the body to his chest/hands—no-between-the-legs handoffs.
- Only direct handoffs or pitches behind the line of scrimmage are legal. Offense may use multiple handoffs and pitches. No laterals or handoffs past the line of scrimmage.
- The player who receives the handoff or non-forward pitch can throw the ball as long as he does not go past the line of scrimmage.
- Any lateral that is legally intercepted by the defense may be advanced the same as an intercepted pass.
- To avoid his/her flag being pulled, the ball carrier may not jump or dive. Spinning is allowed.
- There are “NO RUNNING ZONES” at the 5-yard line and five yards before midfield (except in the PK, K, 1A and 2A divisions, which may run the ball from anywhere on the field).
- Moving screens protecting the ball carrier downfield are NOT allowed.
  - NOTE: A player may occupy any downfield space, but may not adjust positions to inhibit the defense.

## **RECEIVING**

- All players, including the quarterback if the ball has been handed off behind the line of scrimmage, are eligible to receive passes.
- Only one player is allowed in motion at a time. Motion must be parallel to the line or away from the line of scrimmage.
- Players must have at least one-foot in-bounds with clear possession of the ball when making a reception.
- Intentional pick plays in the secondary by the offense are not allowed and will result in offensive pass interference.

## **PASSING**

- Laterals are allowed and will be viewed as a pitch, but the receiver must be behind the passer. Laterals cannot occur beyond the line of scrimmage.
- Teams must pass the ball at least once per down-sequence. Failure to do so will result in a 5-yard penalty for illegal procedure on the final down. Clarification—If a team has not passed the ball by 4th down (5th for PK, K, 1A, 2A), they must either pass or punt.
  - NOTE: A legal pass attempt is defined as a ball that is thrown from the backfield and crosses the line of scrimmage.
- Shovel passes are allowed, but DO NOT satisfy the forward pass requirement (unless thrown across the line of scrimmage).
- No passes are allowed beyond the line of scrimmage.
- Interceptions change the possession of the ball and may be advanced by the defense from any point on the field.

The quarterback has 8 seconds to pass, lateral or handoff the ball. Once he gives up control of the ball, the 8-second clock is no longer in effect. Failure to release the ball in the 8-second time frame will result in a sack.

- Play action fakes (fake handoff to runner and then pass) are legal in all divisions. Keep in mind that, unless the player is a designated rusher, defenders cannot cross the line of scrimmage until the ball changes possession.
  - NOTE: If the offense performs a play action fake, the defense is allowed a 1-yard penetration “grace” beyond the line-of-scrimmage as a normal reaction to the fake handoff.

## **FORMATIONS**

- For 5v5 leagues (Pre-K and K), the offense must have 2 players on the line of scrimmage. For 7v7 leagues (1A, 2A, 3A, 4A, 5A, Thunder and High School), the offense must have 4 players on the line of scrimmage.

## **RUSHING THE QUARTERBACK**

- All players rushing the passer must be a minimum of seven yards from the line of scrimmage when the ball is snapped in the Pre-K, K, 1A, and 2A divisions. All players rushing the passer must be a minimum of ten yards behind the line of scrimmage when the ball is snapped in the 3A, 4A, 5A/6A and Thunder divisions.
- There is no limit to the number of players allowed to rush the quarterback.
- The offense cannot impede the rusher in any way. The rusher has the right to a clear path to the quarterback, regardless of where he or she lines up prior to the snap. If the “path or line” is occupied by a moving offensive player, then it is the offense’s responsibility to avoid the rusher. Any disruption to the rusher’s path and/or contact will result in a blocking penalty. If the offensive player does not move after the snap, then it is the rusher’s responsibility to go around the offensive player and to avoid contact.
  - NOTE: No blocking allowed
- Players not rushing the QB may defend on the line of scrimmage, but they may not cross until the quarterback relinquishes possession of the ball, including play-action fakes.
- Once the ball is handed off, the seven/ ten - yard rule is no longer in effect and all defenders may go beyond the line of scrimmage.

## DEAD BALLS AND FUMBLES

- The center must snap the ball between his/her legs to start the play. An exception is made in the PK, K, 1A, and 2A divisions for players that need to snap the ball to the side.
- Substitutions may occur on any dead ball.
- Play is ruled DEAD when:
  - The ball carrier steps out of bounds
  - A touchdown is scored
  - The ball carrier's knee or elbow touches the ground
  - The ball carrier's flag is pulled or his/her flag belt falls off
  - A fumble, lateral or forward pass hits the ground.
  - An inadvertent whistle by a game official
- There is no change of possession on a fumble that hits the ground. The ball will be spotted where it first hits the ground and the down will count. If the player intentionally fumbles "forward," the ball will be marked at the point of last possession.
- Fumbles that are "intercepted" in the air are treated the same as a pass interception and are therefore a live ball.
- Fumbles occurring in the team's own end zone will result in:
  - The ball being placed on the 1 yard line (PK, K, 1A, 2A)
  - A safety (3A, 4A, 5A/6A, Thunder, HS)
- If a player catches a pass with no flag belt, the completion will count and the ball will be spotted where the player makes the catch.

## SCORING

- Touchdown: 6 points
- Extra point:
  - 1 point (played from 5 yard line ----- pass only except PK, K, 1A & 2A)
  - 2 points (played from 10 yard line ----- run or pass)
- Defensive interception returned for a score during an extra point attempt:
  - 1 point if the offensive team is attempting a 1-point-try.
  - 2 points if the offensive team is attempting a 2-point-try.
- Safety: 2 points

## **PENALTIES**

- Referees determine incidental contact that may result from normal play.
- Only the team captain or head coach may ask the referee questions about rule clarification and interpretations. Judgment calls are not arguable.
- Games cannot end on a defensive penalty ----- unless the offense declines it.
- Penalties are assessed “live ball” first, then “dead ball.” Live ball penalties must be assessed before play is considered complete.
- Penalties will be assessed half the distance to the goal when the penalty yardage is more than half the distance to the goal.
- Failure to wear a mouthpiece will be a dead ball/delay of game penalty. Players must exit the game until he/she retrieves a mouthpiece (NOTE: once the ball is snapped, players are assumed to have started the play with a mouthpiece.
- Players must wear their flags on their hips/sides. Failure to do so will result in a dead ball/delay of game penalty. Flags shifting to positions other than on the hips during the course of live ball play will not be penalized. Each player must check flag position between downs.
- Failure to tuck in jerseys will result in a dead ball/delay of game penalty.
- Offensive Coach Interference results in the player being down at the spot of contact.
- “NO RUN ZONE PENALTIES”
  - Pre-Snap, Dead Ball Penalties –If the defense accepts the penalty, the penalty will be assessed and the offense will be considered to be back outside of the no run zone. The defense may alternatively decline the penalty and keep the offense in the no run zone.
  - Live Ball Offensive Penalties – any live ball foul by the offense that is accepted by the defense, will maintain the “No Run” status of the offense for any succeeding plays.

## **GAME CLOCK: END OF FIRST HALF AND END OF GAME**

- The clock will stop in the final 1-minute of the first half and the final 2-minutes of each half for the following occurrences:
  - Incomplete passes
  - Ball carrier runs out of bounds
  - All scoring plays and extra points
  - Any penalties on the team that is winning the game.
- NOTE: If a touchdown is scored as time expires in the first half, the team will be allowed to attempt the extra point. If a touchdown is scored at the end of the game and the extra point will make a difference in the outcome, the team will be given the opportunity to attempt the extra point.

## **END OF SEASON TOURNAMENT**

### **Resolving Tied Games – Overtime Procedures**

An overtime period is untimed play after a regulation game has ended with the score tied. During an overtime period, each team has an opportunity for an offensive series of downs.

- When the score is tied at the end of the 2nd half, the referee will instruct each team to return to their team benches for a 1-minute rest period and to confer with their coaches.
- Officials will conduct a coin flip with coaches, with the winner of the coin flip having first choice among these three items: 1) To play offense first; 2) To play defense first; 3) To choose which end of the field on which the overtimes will be played. The other coach will choose from the remaining choices. Example: If first coach chooses to play defense first, the other coach chooses end of field.
- There are no time-outs in the overtime periods.
- Once an end of the field is determined, all overtimes will be played on that end.
- To start the 1<sup>st</sup> and 2<sup>nd</sup> overtime, the offense will put the ball in play, first and goal on the defensive team's 20-yard line (20 yards to go for a touchdown). That series of downs ends if the offensive team scores or if the defensive team intercepts a pass or catches a non-grounded fumble.
- After a score or failure to score by the offense, the opposing team gets a series on offense in the same manner.
- If the score remains tied after the first overtime, teams will alternate who plays offense first for all succeeding overtimes.
- **SHOOT OUT**
  - Beginning with the 3<sup>rd</sup> overtime, "shoot out rules" will go into effect.
  - Each team will take turns getting one play from the defense's 5-yard line for one point or the defense's 10-yard line for two points. Whether to go for one or two points is up to the offensive team. Whether or not the team that begins on offense converts, the team that started on defense gets a chance on offense to win or tie by converting a one- or two-point play of its own.
  - If the second team on offense in an overtime round fails to beat or match the team that went first, the team that went first wins.

## **WNSL Out-of-Grade Player-Exception Policy**

*(For "Graded" Sports such as Flag Football, Indoor Soccer, & Basketball)*

"A team is limited to one out-of-grade exception, when approved by WNSL (decision to approve will not be automatic, but considered on individual basis with guidelines such as player age, size, experience in the sport, skill-level, etc.). WNSL, after a chance to observe the player, reserves the right to either (a) move-up the player or (b) move-up the entire team if the player is exceptional."

If a team has more than one out-of-grade player, the team must play in the higher grade level.
