What type of golf does the WNSL offer? The WNSL feels all youth sports should be recreational in nature yet also competitive where the players feel engaged and have the desire to work toward being better at the sport. The sports program is not a babysitting service but it is a league that does not encourage a win-at-all-cost attitude. Sportsmanship, camaraderie, fun and learning the game are the most important aspects of our golf league. The WNSL does not recommend this league for a player who is picking up a club for the first time, but all other skill levels are welcome.
