Sign-Ups, Cost and Division Questions

When can we register? Registration is now open and will close in September for Late Fall and November for Winter.

How do I register and pay online? Go to www.wnsl.org and click on one of the sports you would like to register for. Once on a sport-specific page, log into your WNSL account (see the Login button on the right side of the screen). Once logged into your account, click “Register Now” in the top left corner to select the sport you would like to register your child for. If you do not have a WNSL account, click the “Register” button on the right of the screen to register/create an account. You will then “Add Participants” to your account and select which sport(s) you would like to register them for.

What if I do not want to register online? You can download a paper registration form on the Soccer page at www.wnsl.org. You may mail it in with a check but there will be a \$10 paper registration fee as indicated on the application.

What if I forget to register? The price will increase after the published registration deadline. Late registrations will be taken on a case-by-case basis and players will be added to existing teams or new teams created if the need arises.

Do you give refunds if my child decides not to participate? Refunds are only given with a Doctor’s excuse that a child cannot play due to injury (minus a \$35 processing fee). Registrations may be transferred to another sport up until the time the uniforms are ordered. After uniforms are ordered transfers are not available.

What are the divisions? Co-ed Pre-K through K, Co-ed 1st - 2nd Grade, 3rd Grade Boys, 4th Grade Boys, 3rd - 4th Grade Girls, 5th Grade Boys, 6th Grade Boys, 5th – 6th Girls, 7th – 9th Boys & Girls. The number of participants will determine all divisions. If there are not enough teams in a division for fair play, divisions may be combined and girls may play boy teams with girls playing down a division for fairness.

Are players allowed to play up or play down? Players are allowed to play up a division. However, players must have approval from Scott Tygard (scott@wnsl.net) in order to play down.

If my player is not on a preformed team how and when do I know which team he/she is on? Individuals not on a team (Free Agents) will be contacted by their coach after the Coaches' Meeting.

What happens if my team does not have a coach? WNSL relies heavily on volunteer coaches. Sometimes, we do not have enough volunteers for the number of players that register. If your team does not have a coach, WNSL will first ask if any parent or group of parents is willing to take on coaching responsibilities. If no one is willing or able, we will offer two options: WNSL will find a paid coach to oversee your team, the cost of which will be divided among the parents OR we will refund the team their registration fees, minus a \$35 administrative charge.

Can a player play on two teams? Players may not play on two teams in the same age group; however, a player may pay to play on two teams in separate age groups. Example: A Kindergarten player may also play on a 1st Grade team. To play on two teams a player must pay two registration fees.

How much does it cost? Division costs range from \$125 to \$150 depending on the season and age group. See divisions at www.wnsl.org/soccer for more information.

What is included in the registration fees? 7 games, referees, participation medallion if requested, a jersey and shorts, insurance, a newsletter, excellent indoor fields, equipment and league administration.

How do you form teams? The WNSL is open to full teams, partial teams and free agents. All players are welcome to request a coach on their registration, however, this is just a request -- there is no guarantee that the participant will be placed on the team they request. We try our best to accommodate requests, however, coaches with pre-formed or partially formed teams submit rosters with the players they intend on playing on their team. We go by this roster first. Players not on a pre-formed team are free agents and we work to place them on a team with classmates/players from their area or create an entire team from free agents.

What happens if there are too few teams in a division? The WNSL will do whatever possible to have all divisions play. If there are not enough we will combine divisions, make division's co-ed, or have boys/girls teams play against one another. If we are unable to form divisions we will offer refunds.

How many players are on a team? Pre-K –K will have 4 players on the field, and 1st – 9th will have 5 players on the field. Teams can carry 5 to 10 players.

Is this league Co-Ed? Yes, Soccer is Co-Ed for Pre-K and K and 1st and 2nd Grade divisions. If there are not enough older girls teams, girls divisions may be combined with boys divisions.

Coach-Related Questions

Who coaches the teams in the Late Fall/Winter Soccer League? The WNSL relies on volunteers to coach. Some teams bring coaches with them and often parent's coach. If you are interested in coaching or being an assistant you may indicate this on the "Volunteer" portion of the registration site.

How are coaches certified? Coaches are screened at the Coaches' Meeting and sign a "Code of Conduct" as well as complete a background check.

How does a parent notify the league that he or she would like to coach or be a team parent? During the online registration process there is a "Volunteer" page. Click on the volunteer position you would like (Coach, Assistant Coach or Team Parent) and fill out the requested information. You will then be assigned to your child's team once the registration process is closed.

Once I register, how long will it be before I hear from a coach? The coaches' meeting is held in Mid October (Late Fall) or Mid December (Winter) to finalize all rosters. After that meeting a coach will be in touch with you.

How do you come up with team names? There are no team names in WNSL Soccer but teams are welcome to come up with a name of the team. *Note: Players receive a "generic" reversible jersey for Winter Soccer, so team names are strictly for scheduling purposes.*

Weather, Fields, Equipment and Soccer Basics

What type of Soccer league does the WNSL offer? The WNSL feels all youth sports should be recreational in nature yet also competitive. For Soccer, the season is more laid back. The sports program is not a baby-sitting service but it is a league that does not encourage a "win at all cost" attitude. Sportsmanship, camaraderie, fun and learning the game are the most important aspects of our soccer league. The WNSL feels that the casual recreational player as well as the more serious competitive player will both be accommodated. In short, the WNSL wants players of all different levels to have fun, excel and feel good about what they are doing. The older age groups play more competitively than the other age groups.

How long does the season last? Soccer season begins Late October (Late Fall) or early January (Winter) (See the site for details) and runs 8 weeks. Games are played every Saturday throughout the day (8AM – 5PM Depending on Facility Availability). Some weekday or Sunday games may be played if coaches desire.

Where are the games played? All of the games are played at Boost Fit Club (11 Vaughn's Gap Rd).

What happens in case of inclement weather? Are games rescheduled? How will a parent/coach know if games are canceled? Games may be rescheduled for Sundays or on weekday afternoons. Cancellations are posted on the website, on the phone line (376-4700) and if time permits an e-mail is sent out as well.

When and how often do teams practice? Teams usually practice one time per week, however, each coach determines practice frequency and location. Practice slots can be reserved at Boost Fit Club for \$110/hour by contacting Jon Sexton (see contact page).

Does the league provide photos for teams and individuals? No, not at this time.

What are the rules for the different divisions? You can review the rules on the Soccer page of www.wnsl.org.
