Dear Prospective Sponsor,

The West Nashville Sports League is seeking your support in providing Basketball, Baseball, Flag Football, Soccer, Softball, Golf and Cheerleading to the youth of Middle Tennessee.

Since 1997, WNSL has been an athletic outlet to thousands of area boys and girls. As a youth sports league, we take great pride in the achievements of this program, which operates at the highest level and is a strong catalyst in keeping the youth of our community on the playing field. The WNSL mission is to teach children the fundamentals of basketball, baseball, flag football, golf, soccer, softball and the art of cheerleading while promoting discipline, dedication and team work in a fun, safe, and friendly environment.

One of the largest obstacles our organization faces is providing quality playing and learning experiences for many participants who are on a limited budget. The ability to meet the cost of operating and maintaining a quality program would not be possible without you, our community leaders.

Your donation will help fund first-rate manpower, provide quality equipment and playing fields, and enable us to keep our costs low so children of all social and economic backgrounds can participate.

Your contribution will make a difference and become a part of our community's effort to do something very positive for our youth and future leaders. The benefits are the young adults who will have been given the opportunity to learn lessons in self-worth, character, fair play, sportsmanship, discipline, team spirit, hard work and unity.

Respectfully,

President, West Nashville Sports League

Frequently Asked Questions

If you have a question, start here.

If you still cannot find your answer on this page, e-mail scott@wnsl.net

Sign-Ups, Cost and Division Questions

When can we register? Regular registration is now open and will close in Mid July.

How do I register and pay online? Go to www.wnsl.org and click on one of the sports you would like to register for. Once on a sport-specific page, log into your WNSL account (see the Login button on the right side of the screen). Once logged into your account, click “Register Now” in the top left corner to select the sport you would like to register your child for. If you do not have a WNSL account, click the “Register” button on the right of the screen to register/create an account. You will then “Add Participants” to your account and select which sport(s) you would like to register them for. There is a helpful “How to Register” link on each sport’s page.

What if I do not want to register online? You can download an application on the Softball page at www.wnsl.org. You may mail it in with a check but there will be a \$10 paper registration fee as indicated on the application.

What if I forget to register? After the deadline coaches or the WNSL Director must approve the addition of players and the registration price increases in every division. After this date, registrations may be accepted on a case-by-case basis with prior approval from the WNSL Director or a coach.

Do you give refunds if my child decides not to participate? Refunds are only given with a Doctor’s excuse that a child cannot play due to injury. Registrations may be transferred to another sport up until the time the uniforms are ordered. After uniforms are ordered refunds are not available.

Who can play in the WNSL and how do you form teams? The WNSL is open to full teams, partial teams and free agents. All players are welcome to request a coach on their registration, however, this is just a request -- there is no guarantee that the participant will be placed on the team they request. We try our best to accommodate requests; however, coaches with pre-formed or partially formed teams submit rosters with the players they intend on playing on their team. We go by this roster first. Players not on a pre-formed team are free agents and we work to place them on a team with classmates/players from their area or create an entire team from free agents. There is no draft in the WNSL.

If my player is not on a preformed team, how and when will I know which team he/she is on? Individuals not on a team (Free Agents) will be contacted by their coach following the Coaches' Meeting, which takes place in late July.

Is the WNSL affiliated with a national softball organization? The WNSL is affiliated with the Babe Ruth/Cal Ripken softball league.

What are the age divisions and can players play up or down? We have 4 divisions:

- 6U** - 5 and 6 year olds
- 8U** - 7 and 8 year olds
- 10U** - 9 and 10 year olds
- 12U** - 11 and 12 year olds

The child's age on January 1st, 2023 determines in which division he/she will play. Because of this, we will not allow kids to "play down" a division but they are allowed to "play up." **Occasionally** a player will be allowed to play down but this exception must be approved by the director of the WNSL.

How much does Fall Softball cost? 6U - \$135, 8U - 12U - \$155

What is included in the registration fees? The registration fee includes staff, insurance, uniforms, field maintenance, umpires, etc. A lot of work goes into the preparation of the fields both before the season and prior to games each day. We also try to upgrade the facilities a little bit each year.

Coach/Team Parent Related Questions

Who coaches the teams in the Fall Softball League? Some teams bring coaches with them and often parents coach. If you are interested in coaching or being an assistant you may indicate this on the “Volunteer” portion of the registration site. Coaches, assistant coaches and team parents need to complete the Volunteer area on the website during registration process.

How are coaches certified? Coaches are asked to provide necessary background check information at the Coaches’ Meeting in Mid-August and sign a “Code of Conduct”.

How does a parent notify the league that he or she would like to coach or be a team parent? During the online registration process there is a “Volunteer” page. Click on the volunteer position you would like (Coach, Assistant Coach or Team Parent) and fill out the requested information. You will then be assigned to your child’s team once the registration process is closed.

How do you come up with team names? The coaches determine team names.

How many players are on a team? The WNSL does not have a specific policy regarding number of players but recommends teams carry 10-12 players. Some coaches may choose to have more.

Weather, Practice, Season Length, and Softball Basics

What type of softball league does the WNSL offer? The WNSL feels all youth sports should be recreational in nature yet also competitive where the players feel engaged and have the desire to work toward being better at the sport. The sports program is not a babysitting service but it is a league that does not encourage a win-at-all-cost attitude. Sportsmanship, camaraderie, fun and learning the game are the most important aspects of our softball league. Teams play 10-14 games (depending on the division) for the recreational regular season. The WNSL feels that the casual recreational player as well as the more serious competitive player will both be accommodated. In short, the WNSL wants players of all different levels to have fun, excel and feel good about what they are doing.

Are there different rules for different divisions? Yes. The complete rules for all divisions are available on the WNSL website but in short, we start out teaching basic skills and the game becomes more like “real” baseball as the kids get older.

When does the season start and how long does it last? The 2022 Fall Softball season’s first pitch will be on August 20th and conclude in Early October.

When and how often do teams practice? Teams usually practice once-a-week before games begin but teams may practice as little or as much as they wish. Teams will be given one practice slot for each week before the season begins, but if they wish to find their own practice spot, they are encouraged to do so. Once games begin, practice times will be limited due to field availability.

Where are the games played? All games are played at the Green Hills Park (behind JT Moore Middle School), Harpeth Hills Church of Christ or Edwin Warner Park.

Does the WNSL provide insurance? Yes. The WNSL does provide full insurance for all practice venues. You can obtain a certificate upon request. To receive your copy of the insurance policy, contact Angela Salcido at West Point Insurance: E-Mail: angela@westpointinsurance.com , Phone: 800.318.7709. Inform her you are with the WNSL, give her the facility name and address and you will receive your policy within one day.

Does the league provide photos for teams and individuals? This is To Be Determined.

What happens in case of inclement weather? Are games rescheduled? How will a parent/coach know if games are canceled? Rainouts are unfortunately a part of softball. If games are canceled, there will be a notice on the homepage of www.wnsl.org, a posting on the league's Twitter account (@WNSLonline) as well as a message stating games have been canceled at 615.376.4700. The league will do its best to reschedule all games.

Does the WNSL post standings? No, the WNSL does not provide standings as we do not want to promote over-the-top competitiveness and wish to focus on the "Love of the Game" instead. During tournaments, however, scores are posted and teams are rewarded for winning.

Sponsorships and Financial Assistance

What if I am interested in sponsoring a team or the league? Please let your participant's coach know and then contact scott@wnsl.net or lauren@wnsl.net.

Are there any opportunities for corporate sponsorships (other than the team sponsorships)? Yes. The WNSL offers corporate sponsorships for each individual sport, as well as the overall league. All opportunities are listed under the sponsorship link at www.wnsl.org. If you are interested in corporate sponsorships, contact scott@wnsl.net. There is also an opportunity for a field to be named after a corporate sponsorship for \$1000.

Does the WNSL provide financial assistance or scholarships? Yes. If you are in need of a full or partial scholarship, fill out and submit the financial assistance information at www.wnsl.org. Someone will be in touch in regards to the amount of financial assistance available for your participant.

Miscellaneous Questions

Are end of season trophies presented to the league champions/runners up? The Softball League does not award Championship and Runner-Up trophies to teams. We like to keep the focus on purely the Love of the Game. We do give out "Love of the Game" sportsmanship trophies to teams that exemplify good sportsmanship throughout the season. If a coach requests, players will receive a medallion at the end of the season. Championship trophies are given out at the tournaments.

What is the difference between WNSL and other softball leagues? The West Nashville Sports League is a top-notch youth sports organization that emphasizes all players valuing the pure love-of-the-game over a winning-at-all-costs attitude. We work hard to keep everyone heavily involved in the community by promoting and being involved in local organizations, colleges and events. Providing fun Opening Day events, the best field conditions possible, certified umpires, and excellent communication to all participants, parents and coaches and an informative and user friendly website, the WNSL goes above and beyond to create a memorable and positive experience for all involved.

Dear Flag Football Families --

Here at WNSL, we continually strive to be a community-focused sports league. Aside from positively developing our players on the field, we also partner with organizations around town to offer an assortment of activities during the year that we feel can be beneficial to your family.

One such activity we're proud to announce is WNSL Day at Vanderbilt Stadium. On Nov. 12, the Vanderbilt Commodores football team takes on the Kentucky Wildcats in SEC action. The school has offered to discount tickets from their face value to any WNSL player interested in attending as well as giving kids a chance to high-five the Vandy players as they run onto the field. How awesome is that?! If you're interested in attending, [fill out this form](#) or go to www.wnsl.org and find it on the Flag Football page. We hope to see you there!

Opening Day

August 20th

UNIFORM DISTRIBUTION

Wearing Own uniforms

A team may wear their own uniform but you must declare this at the Coaches' Meeting on July 21st.

There is no reduction in registration fee for doing this. Your team's uniform expenses will go toward scholarship players or teams.

One representative picks up uniforms:

Uniforms will be distributed on the first day of games beginning at 8 a.m. Only **ONE TEAM REPRESENTATIVE** will be allowed to pick up the uniforms. If uniforms are ready for distribution before the 20th, the league will send an email notification.

What's included

The WNSL provides a jersey, pants and socks for the Fall.

FREE AGENTS ON YOUR TEAM?

If one or more players have been added to your roster, please notify that player's parents immediately via phone and e-mail.

If a problem arises with the new player(s) -- for instance, being unable to practice during your scheduled time or living too far away from practice locations -- **please contact Scott (scott@wnsl.net) immediately** so that we may make other arrangements.

Thank you for your cooperation in these matters

LAZY PARENTS OR LAZY PLAYERS

When players do not show up for practices without a good reason, advise the parents that their child's playing time may be affected. If it becomes a pattern, contact Scott (scott@wnsl.net) with proper documentation and we will determine the best course of action, which will likely include an OK to cut that player's playing time. We will inform the parents of this decision.

Please note that submitting these requests and proper documentation must be done during the week and may not take place on game day. The WNSL will not tolerate cutting a player's playing time for "a lack of practice" without these materials. Thank you for your cooperation on this matter.

ABSENT PLAYERS LEAVING YOU SHORT?

Occasionally, a player may be added to a roster for a game due to low numbers. The added player must be eligible to participate in the division in question. If you need to add a player, please e-mail Scott (scott@wnsl.net) at least two days prior to the game. These changes may not be made on game day!

**Note that all complaints must come from the Head Coach or Assistant Coach.
NO COMPLAINTS FILED BY PARENTS WILL BE REVIEWED.**

SCHEDULE AND STANDINGS INFORMATION

The season schedule will not be published until late-August. When posted, it will appear on the league website at the top of the Softball page.

We will not post standings or records due to the league's mission of promoting a love of the game rather than a love of winning.

Middle season standings adjustments

If your team is winless or undefeated at midseason, you may be moved up or down a division in an attempt to promote evenly-matched competition. Please inform your parents of this up front as the WNSL encourages players, coaches and everyone involved to be gracious in both victory and defeat.

End of season adjustments

The WNSL reserves the right to alter the schedule in the final two weeks of the season if needed. This will occur, once again, to promote competitive balance. If we see a major mismatch, teams will be moved around in order to create equal competition.

Please make a habit out of checking your schedule multiple times each week

Though we will do everything in our power to give a week's notice if your original game time has been moved, please double check your schedule each and every week.

Coaches leading multiple teams

Please make sure you list all the teams you are coaching on the request forms provided in the Addendum. We will do what we can to make the scheduling work for you. The league may not always be able to accommodate, so have your assistants prepared. No guarantees but we will do our best.

Teams unable to make a game

If you cannot field a team on a given week, please inform the opposing coach and the league and make a good-faith effort to find a replacement team for your opponent to compete against. The coaches' contacts are listed on the "Team Central → Rosters" tab on the WNSL webpage after logging into your account. Note that you can only view the coaches' contacts information if you are logged into your account.

Forfeits

Forfeits will not be tolerated. Coaches should CONTINUOUSLY check their schedule. Please communicate with your parents in advance to ensure player availability.

WNSL has begun conducting background checks for all HEAD coaches. *Please keep in mind that this is a different process from the volunteer registration at WNSL.org.*

This calendar is where you make any scheduling requests. We schedule around other sport conflicts and can usually avoid work conflicts as well. If you know you will not be able to field a team on a certain week, let us know now and we will try to get you a double header on another week, but this is not a guarantee! We must know this before the schedule is released to even consider the alternate date, however.

Each team will receive 8 games. Games will be primarily Saturdays.

Please note we will be playing home and away inter-league with other area leagues such as Crieve Hall, Bellevue and Other Area Leagues.

CONCUSSION

INFORMATION AND SIGNATURE FORM FOR COACHES

(Adapted from CDC "Heads Up Concussion in Youth Sports")

**Read and keep this page.
Sign and return the signature page.**

THE FACTS

- A concussion is a **brain injury**.
- All concussions are **serious**.
- Concussions can occur **without** loss of consciousness.
- Concussion can occur **in any sport**.
- Recognition and proper management of concussions when they **first occur** can help prevent further injury or even death.

WHAT IS A CONCUSSION?

Concussion is a type of traumatic brain injury caused by a bump, blow or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move quickly back and forth, causing the brain to bounce around or twist within the skull.

This sudden movement of the brain can cause stretching and tearing of brain cells, damaging the cells and creating chemical changes in the brain.

HOW CAN I RECOGNIZE A POSSIBLE CONCUSSION?

To help spot a concussion, you should watch for and ask others to report the following two things:

1. A forceful bump, blow or jolt to the head or body that results in rapid movement of the head.
2. Any concussion signs or symptoms such as a change in the athlete's behavior, thinking or physical functioning.

Signs and symptoms of concussion generally show up soon after the injury. But the full effect of the injury may not be noticeable at first. For example, in the first few minutes the athlete might be slightly confused or appear a little bit dazed, but an hour later he or she can't recall coming to the practice or game.

You should repeatedly check for signs of concussion and also tell parents what to watch out for at home. Any worsening of concussion signs or symptoms indicates a medical emergency.

SIGNS AND SYMPTOMS

SIGNS OBSERVED BY COACHING STAFF	SYMPTOMS REPORTED BY ATHLETE
<ul style="list-style-type: none"> • Appears dazed or stunned • Is confused about assignment or position • Forgets an instruction • Is unsure of game, score or opponent • Moves clumsily • Answers questions slowly • Loses consciousness, even briefly • Shows mood, behavior or personality changes • Can't recall events prior to hit or fall • Can't recall events after hit or fall 	<ul style="list-style-type: none"> • Headache or "pressure" in head • Nausea or vomiting • Balance problems or dizziness • Double or blurry vision • Sensitivity to light • Sensitivity to noise • Feeling sluggish, hazy, foggy or groggy • Concentration or memory problems • Confusion • Just "not feeling right" or "feeling down"

WHAT ARE CONCUSSION DANGER SIGNS?

In rare cases, a dangerous blood clot may form on the brain in an athlete with a concussion and crowd the brain against the skull. Call 9-1-1 or take the athlete to the emergency department right away if after a bump, blow or jolt to the head or body the athlete exhibits one or more of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless or agitated
- Has unusual behavior
- Loses consciousness (*even a brief loss of consciousness should be taken seriously*)

WHY SHOULD I BE CONCERNED ABOUT CONCUSSIONS?

Most athletes with a concussion will recover quickly and fully. But for some athletes, signs and symptoms of concussion can last for days, weeks or longer.

If an athlete has a concussion, his or her brain needs time to heal. A repeat concussion that occurs before the brain recovers from the first – usually within a short time period (hours, days, weeks) – can slow recovery or increase the chances for long-term problems. In rare cases, repeat concussion can result in brain swelling or permanent brain damage. It can even be fatal.

HOW CAN I HELP ATHLETES TO RETURN TO PLAY GRADUALLY?

An athlete should return to sports practices under the supervision of an appropriate health care professional. When available, be sure to work closely with your team's certified athletic trainer.

Below are five gradual steps you and the health care professional should follow to help safely return an athlete to play. Remember, this is a gradual process. These steps should not be completed in one day, but instead over days, weeks or months.

BASELINE: Athletes should not have any concussion symptoms. Athletes should only progress to the next step if they do not have any symptoms at the current step.

STEP 1: Begin with light aerobic exercise only to increase an athlete's heart rate. This means about five to 10 minutes on an exercise bike, walking or light jogging. No weightlifting at this point.

STEP 2: Continue with activities to increase an athlete's heart rate with body or head movement. This includes moderate jogging, brief running, moderate-intensity stationary biking, moderate-intensity weightlifting (reduced time and/or reduced weight from your typical routine).

STEP 3: Add heavy non-contact physical activity such as sprinting/running, high-intensity stationary biking, regular weightlifting routine and/or non-contact sport-specific drills (in three planes of movement).

STEP 4: Athlete may return to practice and full contact (if appropriate for the sport) in controlled practice.

STEP 5: Athlete may return to competition.

If an athlete's symptoms come back or she or he gets new symptoms when becoming more active at any step, this is a sign that the athlete is pushing himself or herself too hard. The athlete

should stop these activities and the athlete's health care provider should be contacted. After more rest and no concussion symptoms, the athlete should begin at the previous step.

PREVENTION AND PREPARATION

Insist that safety comes first. To help minimize the risks for concussion or other serious brain injuries:

- Ensure athletes follow the rules for safety and the rules of the sport.
- Encourage them to practice good sportsmanship at all times.
- Wearing a helmet is a must to reduce the risk of severe brain injury and skull fracture. However, helmets are not designed to prevent concussion. There is no "concussion-proof" helmet. So even with a helmet, it is important for kids and teens to avoid hits to the head.

Check with your league, school or district about concussion policies. Concussion policy statements can be developed to include:

- The school or league's commitment to safety
- A brief description of concussion
- Information on when athletes can safely return to school and play.

Parents and athletes should sign the Parent Information and Signature Form at the beginning of the season.

ACTION PLAN

WHAT SHOULD I DO WHEN A CONCUSSION IS SUSPECTED?

No matter whether the athlete is a key member of the team or the game is about to end, an athlete with a suspected concussion should be immediately removed from play. To help you know how to respond, follow the Heads Up four-step action plan:

1. REMOVE THE ATHLETE FROM PLAY.

Look for signs and symptoms of a concussion if your athlete has experienced a bump or blow to the head or body. When in doubt, sit them out!

2. ENSURE THE ATHLETE IS EVALUATED BY AN APPROPRIATE HEALTH CARE PROFESSIONAL.

Do not try to judge the severity of the injury yourself. Health care professionals have a number of methods they can use to assess the severity of concussions. As a coach, recording the following information can help health care professionals in assessing the athlete after the injury:

- Cause of the injury and force of the hit or blow to the head or body
- Any loss of consciousness (passed out/knocked out) and if so, for how long
- Any memory loss immediately following the injury
- Any seizures immediately following the injury
- Number of previous concussions (if any)

3. INFORM THE ATHLETE'S PARENTS OR GUARDIANS.

Let them know about the possible concussion and give them the Heads Up fact sheet for parents. This fact sheet can help parents monitor the athlete for signs or symptoms that appear or get worse once the athlete is at home or returns to school.

4. KEEP THE ATHLETE OUT OF PLAY.

An athlete should be removed from play the day of the injury and until an appropriate health care provider* says he or she is symptom-free and it's OK to return to play. After you remove an athlete with a suspected concussion from practice or play, the decision about return to practice or play is a medical decision.

* Health care provider means a Tennessee licensed medical doctor, osteopathic physician or a clinical neuropsychologist with concussion training.

The umpire will determine when the game is over. If tied, the first game will end subject to the above time limit and will be recorded as a tie. The second game, if tied, will continue until completed or until the umpire calls the game due to darkness. For any game, if the inning begins but is not able to be completed, the score at the end of the last full inning will be the official result, even if tied.
